AIM Pipeline Company; Notice of Petition for Rate Approval

April 16, 1997.

Take notice that on April 7, 1997, AIM Pipeline Company (AIM) filed, pursuant to Section 284.123(b)(2) of the Commission's regulations, a petition for rate approval requesting that the Commission approve as fair and equitable a rate of 27.31¢ per MMBtu for interruptible transportation services performed under Section 311(a)(2) of the Natural Gas Policy Act of 1978 (NGPA).

AIM's petition states that it is an intrastate pipeline within the meaning of Section 2(16) of the NGPA in the State of Mississippi. AIM owns pipeline facilities in the State of Mississippi, which are subject to this petition, which consist of approximately 560 miles of 4-inch through 20-inch transmission and lateral lines, 44 meters at 25 delivery points, and 5 compressor stations in the State of Mississippi. The Commission had previously approved maximum rates for AIM's interruptible transportation service of 25.70¢ per MMBtu delivered. This rate for interruptible transportation service was approved by the Commission in the March 27, 1995, letter order issued in Docket No. PR95-10-000.

Pursuant to § 284.123(b)(2)(ii), if the Commission does not act within 150 days of the filing date, the proposed rate for transportation service will be deemed fair and equitable. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentations of views, data, and arguments. Any person desiring to participate in this rate proceeding must file a motion to intervene in accordance with Sections 385.211 and 384.214 of the Commission's Rules of Practice and Procedures. All motions must be filed with the Secretary of the Commission or before May 1, 1997. The petition for rate

approval is on file with the Commission and is available for public inspection.

Linwood A. Watson, Jr.,

Acting Secretary.

Northern Border Pipeline Company; Notice of Tariff Filing

April 16, 1997.

Take notice that on April 1, 1997, Northern Border Pipeline Company (Northern Border) tendered for filing to become part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets to be effective April 1, 1997:

Substitute Original Sheet Number 248E
Substitute Original Sheet Number 248G
Substitute First Revised Sheet Number 257
Substitute Original Sheet Number 300A
Original Sheet Number 300A.01

Northern Border states that the filing is in compliance with the Commission's order, issued March 26, 1997, in the above-referenced docket. Northern Border further states that the March 26, 1997 order required Northern Border to resubmit the above-referenced revised tariff sheets to include specific Gas Industry Standards Board (GISB) business standard language or to incorporate the entire GISB definition by reference.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211. All such protests should be filed on or before April 22, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.
