AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that Bureau of Indian Affairs (BIA) is planning to submit the following proposed Information Collection Request (ICR) to the Office of Management and Budget (OMB): Collection of Water Delivery Data for the Operation of Irrigation Projects and Systems. Before submitting the ICR to OMB for review and approval, BIA is soliciting comments on specific aspects of the proposed information collection as described below.

DATES: Comments must be received on or before June 23, 1997, to be assured of consideration.

ADDRESSES: Comments should be sent to: Bureau of Indian Affairs, Division of Water and Land, Mail Stop 4513-MIB, Washington, D.C. 20240.

FOR FURTHER INFORMATION CONTACT: Interested persons may obtain a copy of the ICR including the Water Request form without charge by contacting Ross Mooney at 202-208-5480, or facsimile number: 202-219-1255, or E-mail: Ross_Mooney@IOS.DOI.GOV.

SUPPLEMENTARY INFORMATION: In order for irrigators to receive water deliveries, information is needed by the BIA to operate and maintain its irrigation projects and fulfill reporting requirements. Section 171.7 of 25 CFR part 171, [Irrigation] Operation and Maintenance, specifies the information collection requirement. Water users must apply for water delivery. The information to be collected includes: name; water delivery location; time and date of requested water delivery; duration of water delivery; rate of water flow; number of acres irrigated; crop statistics; and other operational information identified in the local administrative manuals. Collection of this information is currently authorized

under an emergency approval by OMB (OMB Control Number 1076-0141). The BIA is proceeding with this public comment period as the first step in obtaining a normal information collection clearance from OMB.

All information is to be collected annually from each water user. Annual reporting and record keeping burden for this collection of information is estimated to average 40 minutes for each response for 10,300 respondents, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Thus, the total annual reporting and record keeping burden for this collection is estimated to be 6,867 hours.

The BIA solicits comments in order to:

- (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the bureau, including whether the information will have practical utility;
- (ii) Evaluate the bureau's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (iii) Enhance the quality, utility, and clarity of the information to be collected; and
- (iv) Minimize the burden of the collection of information on those who are to respond.

A summary of the public comments will be included in BIA's submission of the information collect request.
