AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed administrative settlement and opportunity for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9622(i), the U.S. Environmental Protection Agency ("EPA"), Region II, announces two proposed administrative *de minimis* settlements pursuant to Section 122(g)(4) of CERCLA, 42 U.S.C. 9622(g)(4), relating to the Sealand Restoration Superfund Site ("Site"). The Site is located on Pray Road in the Town of Lisbon, St. Lawrence County, New York. This notice is being published pursuant to Section 122(i) of CERCLA to inform the public of the proposed settlements and of the opportunity to comment. EPA will consider any comments received during the comment period and may withdraw or withhold consent to the proposed settlements if comments disclose facts or considerations which indicate that the proposed settlements are inappropriate, improper, or inadequate.

The proposed administrative settlements have been memorialized in

These Orders will become effective after the close of the public comment period, unless comments received disclose facts or considerations which indicate that either Agreement is inappropriate, improper, or inadequate, and EPA, in accordance with Section 122(i)(3) of CERCLA, modifies or withdraws its consent to either or both Agreements. Under the Orders, the Private Respondents and the U.S. Coast Guard will be obligated to make payments to the Hazardous Substance Superfund in reimbursement of EPA's response costs relating to the Site, plus a premium, based on documented volumes of substances in EPA's records associated with the Site, totaling \$412, 237.
