Lyndon B. Johnson National Historical Park; Intent To Prepare Environmental Impact Statement and Public Meeting

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of intent to prepare an environmental impact statement on a general management plan for Lyndon B. Johnson National Historical Park and notice of public meetings.

SUMMARY:

1. Background and Description of the Proposed Action

The National Park Service is initiating a planning effort that will result in the preparation of a General Management Plan/Environmental Impact Statement for Lyndon B. Johnson National Historical Park, Blanco and Gillespie counties, Texas. This plan will provide the guidance for development and management of the park for the next 15 to 20 years.

Lyndon B. Johnson National Historical Park was authorized by Public Law 91-134 of December 2, 1969. The park consists of two units: (1) The ranch unit which was the home of the President and which served as the "Texas White House" during the Johnson administration and (2), the Johnson City unit which includes the park headquarters, visitor center, Johnson settlement, Boyhood Home and associated structures. The ranch unit consists of 594 acres. The Johnson City unit consists of 79 acres. A total of 1570 acres is within the legislated boundaries of the Park. Various life estate provisions at the Ranch district have been included in donations of property to the United States by President and Mrs. Johnson and other entities. Access to the Texas White House and its immediate environs is currently secured by the U.S. Secret Service. Public access to the Ranch district is by authorized National Park Service tour buses and/or accompanied by approved National Park Service staff.
