Pursuant to section 207.18 of the Commission's rules, as amended in 61 FR 37818 (July 22, 1996), the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) and 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) and 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On February 26, 1997, a petition was filed with the Commission and the Department of Commerce by counsel for Connecticut Steel Corp., Wallingford, CT; Co-Steel Raritan, Perth Amboy, NJ; GS Industries, Inc., Georgetown, SC; Keystone Steel & Wire Co., Peoria, IL; North Star Steel Texas, Inc., Beaumont, TX; and Northwestern Steel & Wire, Sterling, IL, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized and LTFV imports of certain steel wire rod from Canada, Germany, Trinidad and Tobago, and Venezuela. Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the

Federal Register of March 6, 1997 (62 FR 10292). The conference was held in Washington, DC, on March 19, 1997, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on April 14, 1997. The views of the Commission are contained in USITC Publication 3037 (April 1997), entitled "Certain Steel Wire Rod from Canada, Germany, Trinidad and Tobago, and Venezuela: Investigations Nos. 701-TA-368-371 (Preliminary) and 731-TA-763-766 (Preliminary)."
