## FEDERAL COMMUNICATIONS COMMISSION

### Notice of Public Information Collection Being Reviewed by the Federal Communications Commission

April 29, 1997.

**SUMMARY:** The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following continuing information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested concerning (a) Whether the proposed collection is

necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated information techniques or other forms of information technology.

**ADDRESSES:** Direct all comments to Judy Boley, Federal Communications Commission, Room 234, 1919 M. St., NW., Washington, DC 20554 or via internet to [jboley@fcc.gov](mailto:jboley@fcc.gov).

**FOR FURTHER INFORMATION CALL:** For additional information or copies of the information collections contact Judy Boley at 202-418-0214 or via internet to [jboley@fcc.gov](mailto:jboley@fcc.gov).

*OMB Approval Number:* 3060-.

*Title:* § 5.56, Procedure for Obtaining a Special Temporary Authorization (STA) in the Experimental Radio Service.

*Form No.:* N/A.

*Type of Review:* Existing collection in use without OMB control number.

*Respondents:* Not-for-profit institutions; Business or other for-profit; Small businesses and organizations.

*Number of Respondents:* 500.

*Estimated time per response:* 1 hour.

*Total Annual Burden:* 500 hours.

*Estimated Cost per Respondent:* Based on the estimated salaries of one technical (1½ hrs @ \$25 per hr) and one clerical (½ hr @ \$10 per hr), it is estimated that the total cost will be approximately \$21,250.

*Needs and Uses:* In cases where a need is shown for operation of an experimental radio authorized station for a limited time only, a request for a Special Temporary Authorization (STA) to operate transmitting equipment will be accepted under the conditions set forth in § 5.56 (a), (b), & (c) of Part 5 of the Commission's Rules. The request may be filed as an informal application, normally by letter from the applicant, and shall contain the information specified in § 5.56(b). Since STAs are filed as informal requests, no form is required. The information collected is necessary to ensure that the STA request complies with Part 5 of the Commission's Rules, and that the proposed operation will not cause interference to existing government and non-government operations.

Due to an administrative oversight this information collection was not submitted to OMB for approval of the collection. The Commission is requesting OMB approval of this

voluntary collection by May 12, 1997 to permit expeditious processing of the pending STAs.
