DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. RP97-342-000]****Kern River Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff**

May 1, 1997.

Take notice that on April 28, 1997, Kern River Gas Transmission (Kern River) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A to the filing, with a proposed effective date of May 29, 1997.

Kern River states that the purpose of this filing is to propose tariff changes that are needed as a result of Kern River's filing to adopt the standardized business practices which were issued by the Gas Industry Standards Board (GISB) and approved by the Commission. Specifically, Kern River is proposing tariff revisions to: 1) Require non-electronically submitted nominations to be submitted earlier than electronically submitted nominations; 2) establish a time line for intra-day nominations; and 3) formalize Kern River's existing pooling policy as required by the Commission's March 6, 1997 Order (78 FERC ¶ 61,251 (1997).) which directs Kern River to "file a pooling proposal under NGA Section 4 to comply with the GISB standards, and include in its tariff the GISB provisions related to pooling".

Any person desiring to be heard or protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on
