New York State Electric & Gas Corp., et al.; Electric Rate and Corporate Regulation Filings

May 2, 1997.

Take notice that the following filings have been made with the Commission:

1. New York State Electric & Gas Corporation

[Docket No. ER96-2493-000]

Take notice that New York State Electric & Gas Corporation (NYSEG) on April 21, 1997, tendered for filing pursuant to Section 35.13 of the Federal Energy Regulatory Commission's Rules of Practice and Procedure, 18 CFR 35.13, an agreement with Sonat Power Marketing, Inc. (Sonat) as an amendment to, and a complete substitute for, a rate schedule filed on July 22, 1996, the consideration of which has been deferred by the FERC. The agreement provides a mechanism pursuant to which the parties can enter into separately scheduled transactions under which NYSEG will sell to Sonat and Sonat will purchase from NYSEG either capacity and associated energy or energy only as the parties may mutually agree.

NYSEG requests that the agreement become effective on April 22, 1997, so that the parties may, if mutually agreeable, enter into separately scheduled transactions under the agreement. NYSEG has requested waiver of the notice requirements for good cause shown.

NYSEG served copies of the filing upon the New York State Public Service Commission and Sonat.
