Standards for Business Practices of Interstate Natural Gas Pipelines; Notice of Compliance Filings

[Docket No. RM96-1-004 (Order No. 587-C)]

May 6, 1997.

Take notice that on March 4, 1997, the Commission issued a Final Rule in Docket No. RM96-1-004, Order No. 587-C (62 FR 10684, March 10, 1997), to amend its regulations by incorporating by reference additional standards promulgated by the Gas Industry Standards Board (GISB). These standards require interstate natural gas pipelines to publish specific information on Internet Web pages and to follow certain new and revised business practice procedures. The Commission directed pipelines to make pro forma tariff filings to implement the business practice standards by May 1, 1997.

Due to the large number of filings that were received, the filings are being noticed together. The filings are not being consolidated. *Algonquin Gas Transmission Company*, Docket No. RP97-5-006, is the lead docket under which all the filings are listed.

Take notice that the applicants referenced above tendered for filing pro forma tariff sheets to comply with the

Commission's directives in Order No. 587-C, to be effective August 1, 1997 and November 1, 1997.

On March 4, 1997, the Commission issued a Final Rule in Docket No. RM96-1-004, Order No. 587-C, to amend its regulations by incorporating by reference additional standards promulgated by the Gas Industry Standards Board (GISB). These standards require interstate natural gas pipelines to publish specific information on Internet Web pages and to follow certain new and revised business practice procedures. The Commission directed pipelines to make pro forma tariff filings to implement the business practice standards by May 1, 1997.

Each applicant states that its filing complies with the Commission's Order No. 587-C in Docket No. RM96-1-004.

Each applicant states that copies of the filing have been mailed to all affected customers and state regulatory commissions.

The above-referenced dockets are being noticed together due to the large number of filings received. The filings are not being consolidated. Any party who wishes to file a protest must file a separate protest for each docket.

Any person desiring to protest said filings should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commissions Rules and Regulations. All such protests must be filed on or before May 22, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of the filings are on file with the Commission and are available for public inspection in the Public Reference Room.
