

accessed and downloaded but uploads are not allowed; all you will see is a list of files without descriptions (normal Gopher look). An index file listing all files within a subdirectory, with descriptions, is included. There is a 15-minute time limit for FTP access.

Although Fedworld can be accessed through the World Wide Web, like FTP that mode only provides access for downloading files and does not display the NRC Rules menu.

For more information on NRC bulletin boards, call Mr. Arthur Davis, Systems Integration and Development Branch, U.S. Nuclear Regulatory Commission, Washington, DC 20555, telephone (301) 415-5780; e-mail AXD3@nrc.gov. For more information on the draft regulatory guides, contact E.O. Woolridge, telephone (301) 415-6004; e-mail EOW@nrc.gov.

Although a time limit is given for comments on these draft guides, comments and suggestions in connection with items for inclusion in guides currently being developed or improvements in all published guides are encouraged at any time.

Regulatory guides are available for inspection at the Commission's Public Document Room, 2120 L Street NW., Washington, DC. Requests for single copies of active or draft guides (which may be reproduced) or for placement on an automatic distribution list for single copies of future draft guides in specific divisions should be made in writing to the U.S. Nuclear Regulatory Commission, Washington, DC 20555, Attention: Distribution and Mail Services Section. Telephone requests cannot be accommodated. Regulatory guides are not copyrighted, and Commission approval is not required to reproduce them.

**OFFICE OF PERSONNEL
MANAGEMENT**

**Submission for OMB Review;
Comment Request for Review of an
Expiring Information Collection:
Federal Employees Health Benefits
(FEHB) Annuitant Express Open
Season Interactive Voice Response
System (IVR)**

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management will be submitting to the Office of Management and Budget a request for review of an expiring information collection. FEHB Annuitant Express Open Season IVR (Interactive Voice Response System) is used by retirees and survivors to collect information for changing FEHB enrollments, requesting plan brochures, requesting a change of address, requesting cancellation or suspension of FEHB benefits, requesting payment directly to the Office of Personnel Management where the FEHB payment is greater than the monthly annuity amount, or requesting a copy of the FEHB Customer Satisfaction Survey results. We are replacing the OPM 2809 EZ1 and OPM 2809 EZ2 with the IVR technology to improve our response time to our customers.

We estimate 75,000 requests will be completed annually. Each request takes approximately 10 minutes to complete. The annual estimated burden is 12,525 hours.

POSTAL SERVICE

**Privacy Act of 1974, System of
Records**

AGENCY: Postal Service.

ACTION: Notice of the addition of a new routine use and modifications to an existing system of records.

SUMMARY: This document publishes notice of the addition of a new routine use and modifications to Privacy Act system of records USPS 140.020, Postage—Postage Meter Records. The new routine use clarifies that the Postal Service may make disclosures to authorized postage meter manufacturers for administering postage meter activities. The modifications expand the system location to include a centralized site and clarify the language of an existing routine use and other segments of the system description.

DATES: This proposal will become effective without further notice on June 23, 1997, unless comments received on or before that date that result in a contrary determination.

ADDRESSES: Written comments on this proposal should be mailed or delivered to Payroll Accounting/Records, United States Postal Service, 475 L'Enfant Plaza SW, Room 8800, Washington, DC 20260-5243. Copies of all written comments will be available at the above address for public inspection and photocopying between 8 a.m. and 4:45 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Betty E. Sheriff, (202) 268-2608.

SUPPLEMENTARY INFORMATION: System of records USPS 140.020, Postage—Postage Meter Records, collects information concerning postage meter use. This notice adds a routine use consistent with existing practice and postal regulations and clarifies a routine use and other segments of the system description as explained below.

Customers who wish to pay postage using a postage meter may request authorization from the Postal Service. If authorization is granted, the customer is issued a license to use a postage meter. Postage meters are available only by lease from authorized manufacturers. Because the Postal Service holds these manufacturers responsible for the control, operation, maintenance, and replacement of customer meters, the Postal Service and the manufacturers must exchange relevant information about the meter holders. For example, if a meter manufacturer cannot locate one of its meters in service, the Postal Service requires the manufacturer to take several actions. One of those
