DEPARTMENT OF THE TREASURY

Office of the Comptroller of the Currency

OMB Approval of Information Collection

AGENCY: Office of the Comptroller of the Currency, Treasury.

ACTION: Notice.

SUMMARY: In accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Office of the Comptroller of the Currency (OCC) hereby gives notice that it has submitted to and received Office of Management and Budget (OMB) approval of an emergency clearance for an information collection titled Preliminary Survey of Nonbanked Status. The OCC may not conduct or sponsor, and respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

DATES: May 14, 1997.

ADDRESSES: A copy of the submission may be requested from the OCC Contact listed later in this notice.

SUPPLEMENTARY INFORMATION:

OMB Number: 1557-0209.

Form Number: None.

Type of Review: New Collection.

Title: Preliminary Survey of

Nonbanked Status.

Description: The OCC encourages national banks to provide access to financial services by all Americans. Last fall, the OCC initiated a major project to learn more about why millions of households have no banking relationships (nonbanked), and whether some banks have found ways of profitably serving them.

As part of this initiative, the OCC is planning to conduct a multi-mode survey, the Survey of Financial Activities and Attitudes (Final Survey) to learn more about how nonbanked households conduct their financial activities and what factors may keep them from using services offered by banks and other financial institutions.

This information collection concerns the OCC's Preliminary Survey of Nonbanked Status (Preliminary Survey) of 1,000 adults. The Preliminary Survey will be conducted as a portion of the University of Maryland Survey Research Center's Semiannual National Omnibus Survey scheduled for May 1997. The OCC will use the information from the Preliminary Survey primarily to inform the sampling design for the Final Survey, which is scheduled for fall 1997. The OCC needed to employ OMB's emergency approval procedures for the Preliminary Survey to have its questions included in Maryland's National Omnibus Survey. The OCC expects to provide opportunity for public comment regarding the Final Survey in summer 1997.

Respondents: Individuals and households.

Number of Respondents: 1,000.

Total Annual Responses: 1,000.

Frequency of Response: Once.

Estimated Total Annual Burden: 113.
