INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-749 (Final)]

In the Matter of Persulfates From China; Notice of Commission Determination to Conduct a Portion of the Hearing in Camera

AGENCY: U.S. International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

SUMMARY: Upon request of a respondent in the above-captioned final investigation, the Commission has unanimously determined to conduct a portion of its hearing scheduled for May 14, 1997 *in camera*. See Commission rules 207.23(d), 201.13(m) and 201.35(b)(3) (19 CFR §§ 207.23(d), 201.13(m) and 201.35(b)(3)). The remainder of the hearing will be open to the public. The Commission unanimously has determined that the seven-day advance notice of the change to a meeting was not possible. See Commission rule 201.35(a), (c)(1) (19 CFR § 201.35(a), (c)(1)).

FOR FURTHER INFORMATION CONTACT: Rhonda M. Hughes, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3083. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that the respondent has justified the need for a closed session. A full discussion regarding the financial condition and related proprietary data of the industry can only occur if a portion of the

hearing is held *in camera*. Because much of this information is not publicly available, any discussion of issues relating to this information will necessitate disclosure of business proprietary information (BPI). Thus, such discussions can only occur if a portion of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioner and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for a presentation that discusses only the financial data submitted and for questions from the Commission relating to the BPI, followed by an *in camera* rebuttal presentation by petitioner. Testimony by industry representatives and questioning by the Commissioners and Staff will be permitted during the *in camera* session. Industry representatives will not be allowed to be present during the testimony or questioning of other industry representatives or when another firm's BPI is being discussed. For any *in camera* session the room will be cleared of all persons except those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in this investigation. See 19 CFR § 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall allotments for the hearing. All persons planning to attend the *in camera* portions of the hearing should be prepared to present proper identification.

Authority: The General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR § 201.39) that, in her opinion, a portion of the Commission's hearing in *Persulfates from China*, Inv. No. 731-TA-749 (Final) may be closed to the public to prevent the disclosure of BPI.

Issued: May 9, 1997.

By order of the Commission.

Donna R. Koehnke,

Secretary.
