Certain Welded Stainless Steel Pipe From Taiwan; Preliminary Results of Antidumping Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of administrative reviews.

SUMMARY: In response to requests by respondent Ta Chen Stainless Pipe Co., Ltd. (Ta Chen), the Department of Commerce (the Department) is conducting administrative reviews of

the antidumping duty order on certain welded stainless steel pipe from Taiwan (A-583-815). These reviews cover one manufacturer/exporter of the subject merchandise to the United States during the periods June 22, 1992 through November 30, 1993 and December 1, 1993 through November 30, 1994.

We preliminarily determine that Ta Chen made sales of welded stainless steel pipe (WSSP) below the foreign market value (FMV) for both periods of review (POR). If these preliminary results are adopted in our final results of administrative review, we will instruct the U.S. Customs Service to assess antidumping duties equal to the difference between United States price (USP) and the FMV.

We invite interested parties to comment on these preliminary results. Parties who submit comments are requested to submit with the argument (1) a statement of the issues and (2) a brief summary of the argument.

EFFECTIVE DATE: May 15, 1997.
