BILLING CODE 4410-11-M

DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—the Salutation Consortium, Inc.

Notice is hereby given that, on April 9, 1997, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Salutation Consortium, Inc. ("Consortium") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Specifically, Cisco Systems, Inc., San Jose, CA has joined the Consortium.

No other changes have been made in the membership or the planned activity of the Consortium. Membership remains open and the Consortium intends to file additional written notifications disclosing all changes in membership.

On March 30, 1995, the Consortium filed its original notification pursuant to § 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on June 27, 1995 (60 FR 33233). The last notification was filed on January 9, 1997. The Department of Justice published a notice in the **Federal Register** on March 7, 1997 (62 FR 10585).

Constance K. Robinson,

Director of Operations, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Sun Company, Inc. (R&M)-Rohm and Haas Company Joint Venture

Notice is hereby given that, on April 23, 1997, pursuant to Section 6(a) of the

National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301, *et seq.* ("the Act"), Sun Company, Inc. (R&M) has filed written notifications simultaneously with the Attorney General and with the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the current parties in the joint venture are: Sun Company, Inc. (R&M), Philadelphia, PA; and Rohm and Haas Company, Philadelphia, PA.

The nature and objective of this cooperative research and production venture performed in accordance with a Cooperative Agreement is to conduct research concerning breakthrough catalyst and related process technology for the oxidation of alkanes. The activities of this project will be partially funded by an award from the Advanced Technology Program, National Institute of Standards and Technology, U.S. Department of Commerce.

Information regarding this joint venture may be obtained from Dr. Allen W. Hancock, Sun Company, Inc. (R&M), Philadelphia, PA.

Constance K. Robinson,

Director of Operations, Antitrust Division.
