Granite State Gas Transmission, Inc.; Notice of Compliance Tariff Filing

May 14, 1997.

Take notice that on May 9, 1997, Granite State Gas Transmission, Inc. (Granite State) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the revised tariff sheets listed below, for effectiveness on April 1, 1997:

Second Substitute Eighth Revised Sheet No. 21
Second Substitute Ninth Revised Sheet No. 22
Substitute Eighth Revised Sheet No. 23

According to Granite State, the above listed revised tariff sheets have been submitted in compliance with the directive in a Letter Order issued on April 25, 1997 in Docket No. RP97-8-000. In that order, Granite State was directed to reduce its motion rates, effective April 1, 1997, to reflect the elimination of certain estimated electric power costs in the cost of service underlying the motion rates because the Commission had accepted a tracking mechanism, in Docket No. RP97-300-000, also effective on April 1, 1997, to allow Granite State to charge and collect the electric power costs from its customers.

According to Granite State, copies of its filing were served on its firm and interruptible customers, the regulatory agencies of the States of Maine, Massachusetts and New Hampshire and the parties on the official service list maintained by the Secretary in Docket No. RP97-8-000.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rule 211 (18 CFR 385.211) of the Commission's Rules of Practice and Procedure. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make

protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection.
