[Docket No. ER97-2769-000]

American Electric Power Service Corporation; Notice of Filing

May 14, 1997.

Take notice that on April 30, 1997, the American Electric Power Service Corporation (AEPSC) tendered for filing executed service agreements with certain cities and towns in Indiana and Michigan under the Indian Michigan Power Company (I&M) Tariffs MRS, designated as I&M FERC Electric Tariff Original Volume No. 7 and I&M FERC Electric Tariff Original Volume No 5, respectively. AEPSC requests waiver of notice to permit the Service Agreements to be made effective for service billed on and after April 1, 1997.

A copy of the filing was served upon the Parties and the State Utility Regulatory Commissions of Indiana and Michigan.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before May 28, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

[Docket No. ER96-345-003]

Indeck Pepperell Power Associates, Inc.; Notice of Filing

May 15, 1997.

Take notice that on April 15, 1997, Indeck Pepperell Power Associates, Inc. (Indeck Pepperell) submitted for filing a Revised Statement of Policy and Standards of Conduct with Respect to the Relationship between Miami Valley Leasing, Inc. and Indeck Pepperell Power Associates, Inc., (Revised Standards of Conduct) to comply with Commission requirements concerning standards of conduct between affiliates in the context of market-based rate filings. The filing supplements its October 25, 1996, filing of the original Standards of Conduct, which filing supplemented its October 17, 1996, Notice of Change of Ownership.

Indeck Pepperell states that its supplemental filing of Revised Standards of Conduct is in accordance

with Part 35 of the Commission's Regulations. Indeck Pepperell renews its request for a waiver of the Commission's notice requirements so that its Revised Standards of Conduct may become effective October 18, 1996.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before May 27, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. CP97-512-000]

National Fuel Gas Supply Corporation; Notice of Application

May 15, 1997.

Take notice that on May 7, 1997, National Fuel Gas Supply Corporation (National Fuel), 10 Lafayette Square, Buffalo, New York 14203, filed in Docket No. CP97-512-000, an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon a firm transportation service with Transcontinental Energy Marketing Company (Transco), which was authorized in Docket No. CP88-171, *et al.*, all as more fully set forth in the application on file with the Commission and open to public inspection.

National Fuel proposes to abandon a firm transportation service with Transco in connection with the conversion of this service from Rate Schedule X-57 to service under National Fuel's FT Rate Schedule, provided under Part 284 of the Commission's regulations. National Fuel states that Transco's current maximum daily volume under Rate Schedule X-57 is 75,000 Mcf.
