SUPPLEMENTARY INFORMATION:

I. Abstract

The Trade Event Application and Participation Agreement form is the vehicle by which individual firms apply, and if accepted agree, to participate in the Department of Commerce's (DOC) trade promotion events program, identify the products or services they intend to sell or promote, and record their required participation fees. It is being revised to: (1) Collect additional information about the products/services that a company wishes to export; (2) modify several questions based on comments received

In its use as a Participation Agreement, it is a contract between an individual firm and the Department of Commerce. The information is collected for several purposes, including to: (1) Identify firms which have first applied, and if accepted have agreed to participate in specific overseas trade promotion events; (2) establish the participation fees which the individual firms will make and keep track of their payments; (3) facilitate the shipment of exhibition goods using private freight forwarding companies; (4) collect certain participant profile information such as export experience and company size for evaluative purposes; (5) collect certifications from companies interested in participating in certain missions, (6) obtain additional information needed to judge the eligibility and suitability of companies to participate in Department of Commerce-sponsored trade events; and (7) make it clear that participation involves an application process.
