All timely comments will be considered, except those pertaining to standard provisions under 40 CFR 72.9 or issues not relevant to the permit or the permit modification.

*Hearings.* To request a public hearing, state the issues proposed to be raised in the hearing. EPA may schedule a hearing if EPA finds that it will contribute to the decision-making process by clarifying significant issues affecting a NO<sub>x</sub> compliance plan.

received on that permit or permit modification based on this notice of draft permits and permit modifications will be addressed in a subsequent notice of permit or permit modification.
