Title: Notification of Stored Pesticides with Canceled or Suspended Registrations Under Section 6(g) of the Federal Insecticide, Fungicide and Rodenticide Act (EPA Form No. 1519.04), OMB Control Number 2070-0109.

Expiration Date: 8/31/97. This is a request for extension of a currently approved collection.

Abstract: Section 6(g) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) requires any producer or exporter of pesticides, registrant of a pesticide, applicant for registration of a pesticide, applicant for or holder of an experimental use permit, commercial applicator, or any person who distributes or sells any pesticide, who possesses any pesticide which has had its registration suspended or canceled under section 6 to notify the

Administrator and appropriate State and local officials of: (1) Such possession; (2) the quantity of such pesticide such person possesses, and (3) the place at which such pesticide is stored.

EPA may require affected persons to submit information on the storage of canceled or suspended pesticides through FIFRA section 6 Suspension and/or Cancellation orders or through notices published in the **Federal Register**. The formats, procedures, and identification of persons who must submit FIFRA section 6(g) information will appear in the Suspension/Cancellation Order or **Federal Register** notice itself.

The information required by FIFRA section 6(g) will be used by the Agency for compliance monitoring purposes (identification of areas where large amounts of suspended/canceled products are being stored, inspection targeting to assure adequate storage and compliance with the terms of the cancellation or suspension order, inspections to confirm the adequacy of the registrant's recall plans, etc.), indemnification determinations for emergency suspended and canceled products, the determination of disposal burdens, to aid the FIFRA section 19 recall process, and to aid the Agency in the development of a reimbursement plan for the registrant's costs for the storage of canceled and suspended pesticides which have been recalled under FIFRA section 19. The information submitted is not considered confidential. However, if any records are declared CBI by a respondent, the data will be treated in accordance with the provisions of FIFRA section 10, and by 40 CFR Part 2. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR Part 9 and 48 CFR Chapter 15. The **Federal Register** notice required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on 3/5/97 (62 FR No 43); no comments were received.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 1.5 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency.
