**II. Current Actions:** Failure of the agency to request the information described would either violate the debtor's rights under the Debt Collection Act of 1982 or limit the agency's ability to collect outstanding debts.

If a debtor wishes to appeal an agency action based on undue financial hardship, he/she may be asked to submit information on his/her assets, income, liabilities, or other information considered necessary by the hearing official for evaluating the appeal. Use of the information will be explained to the debtor when it is requested; consent to use the information for the specified purpose will be implied from the debtor's submission of the information.

**III. Type of Review:** Extension without change.

**IV. Agency:** Office of the Chief Financial Officer.

**V. Title:** Salary Offset.

**VI. OMB Number:** 1225-0038.

**VII. Agency Number:** N/A.

**VIII. Affected Public:** Federal employees.

**IX. Cite/Reference/Form/etc:** It is estimated that 25% of the individuals indebted to the Department will contest the proposed collection action and will request a review and/or appeal an action based on undue financial hardship. In some cases the debtor will make one request, but not the other. However, in most cases, it is expected that the debtor will request both actions—first, review of the determination of indebtedness, and second, relief because of undue financial hardship.

Annual burden was estimated based on a review of debtor responses to similar requests for information. Debtors typically respond in 1-2 page letters, supplemented by copies of documents. Letters are most often typewritten. Annual burden is based on a 1¼ hour time allotment to prepare and type a letter. Debtors will not be asked to respond on a form.

**X. Estimated Total Burden Hours:** 375.

**XI. Estimated Total Burden Cost:**  
*Estimated annual cost to the Federal Government:* \$31,485.  
*Estimated annual cost to the respondents:* \$8,136.

Comments submitted in response to this comment request will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.
