

Comments regarding the submission should be addressed to both the OMB reviewer and the FDIC contact listed above.

SUPPLEMENTARY INFORMATION: Part 353 of the FDIC's Rules and Regulations requires insured nonmember banks to report to the appropriate investigatory and prosecuting authorities and to the FDIC, on a prescribed form, criminal violations of the U.S. Code that involve or affect the banks' affairs. The primary purpose of the reporting requirement is to assure that the specific information needed by investigators and prosecutors for effective law enforcement is provided in an orderly and timely fashion. In addition, the ability of the FDIC to monitor and act to reduce losses of insured nonmember banks as a result of criminal activity is enhanced by receiving the reports. The Criminal Referral form is used by each of the following agencies: the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Office of Thrift Supervision, the National Credit Union Administration, and the Resolution Trust Corporation (Each agency separately seeks OMB approval for the use of this form). FDIC needs this information to monitor white collar crime and insider abuse, which can be serious threats to a bank's security and undermine confidence in banks. FDIC regulation 12 CFR 353 requires that, whenever it appears that a criminal violation of the United States Code involving or affecting the assets or affairs of an insured nonmember bank has been committed or attempted, the bank shall promptly report the apparent violation to be the appropriate field office of the FBI, the applicable U.S. Attorney's Office, and to the FDIC regional director.

Federal Deposit Insurance Corporation.

Deputy Executive Secretary.
