ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

June 4, 1997.

Take notice that on May 30, 1997, ANR Pipeline Company (ANR) tendered for filing, as part of its FERC Gas Tariff Second Revised Volume No. 1, the following tariff sheet proposed to become effective June 1, 1997:

Thirtieth Revised Sheet No. 18

ANR states that the above-referenced tariff sheet is being filed by ANR to restate its currently effective Gas Supply Realignment (GSR) and Pricing Differential (PD) Reservation Surcharges, to reflect the impact of the annual update of the Eligible MDQ that is used to calculate those Surcharges, as required by and consistent with ANR's transition cost recovery mechanism set forth in its tariff. ANR advises that the Eligible MDQ has increased by approximately eight percent, thereby reducing the levels of these surcharges.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

June 4, 1997.

Take notice that on May 30, 1997, ANR Pipeline Company (ANR) tendered for filing, as part of its FERC Gas Tariff, Second Revised Volume No. 1, the tariff sheets proposed to become effective June 1, 1997:

Twenty-third Revised Sheet No. 8

Twenty-fifth Revised Sheet No. 9

Twenty-fourth Revised Sheet No. 13

Twenty-fifth Revised Sheet No. 16

Twenty-ninth Revised Sheet No. 18

ANR states that the above-referenced tariff sheets are being filed to implement recovery of approximately \$2 million of above-market costs that are associated with its obligations to Dakota Gasification Company (Dakota). ANR proposes a reservation surcharge applicable to its Part 284 firm transportation customers to collect ninety percent (90%) of the Dakota costs, and an adjustment to the maximum base tariff rates of Rate Schedule ITS and overrun rates applicable to Rate Schedule FTS-2, so as to recover the remaining ten percent (10%). ANR advises that this filing also includes the annual restatement of the "Eligible MDQ" used to design the reservation surcharge. ANR also advises that the proposed changes would decrease current quarterly Above-Market Dakota Cost recoveries from \$2.5 million to \$2 million, based upon lower costs incurred from February 1997 through April 1997.

Any person desiring to be heard or protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations.
