#### SUPPLEMENTARY INFORMATION:

**Title:** Importation of Restricted and Controlled Animal and Poultry Products and Byproducts, Organisms, and Vectors into the United States.

**OMB Number:** 0579-0015.

**Expiration Date of Approval:** August 31, 1997.

**Type of Request:** Extension of a currently approved information collection.

**Abstract:** The United States Department of Agriculture restricts and controls the importation of certain animal and poultry products and byproducts, organisms, and vectors to prevent the introduction and spread of livestock and poultry diseases into the United States.

To do this, we must collect information from a variety of individuals, both within and outside the United States, who are involved in handling, transporting, and importing these items. Collecting this information is critical to our mission of ensuring that these imported items do not present a disease risk to the livestock and poultry populations of the United States.

If these information collections are not conducted, the United States will be at increased risk of an exotic disease incursion. The introduction of such diseases as rinderpest, foot-and-mouth disease, hog cholera, African swine fever, swine vesicular disease, and exotic Newcastle disease would have an
