Madison Gas & Electric Company v. Wisconsin Power & Light Company; Notice of Filing

June 12, 1997.

Take notice that on June 3, 1997, Madison Gas & Electric Company (MGE) tendered for filing a complaint against Wisconsin Power & Light Company (WPL) alleging that WPL wrongfully canceled MGE's 50 MW firm reservation.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before July 14, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Answers to the complaint shall be due on or before July 14, 1997.

[Docket No. CP97-563-000]

Michigan Gas Storage Company; Notice of Application

June 12, 1997.

Take notice that on June 6, 1997, Michigan Gas Storage Company

(Applicant), 212 West Michigan Avenue, Jackson, MI 49201, filed in Docket No. CP97-563-000, an application pursuant to Section 7c of the Natural Gas Act for a certificate to construct and operate certain pipeline facilities in the Cranberry Lake Storage Field and authorization pursuant to Section 7b of the Natural Gas Act for abandonment of certain pipeline facilities being replaced, as more fully set forth in the application which is on file with the Commission and open for public inspection.

Specifically, Applicant requests Commission authorization to replace and upgrade 1.3 miles of 8-inch, 6-inch and 4-inch piping which makes up Lateral 63 East of Applicant's Cranberry Lake Storage Field located in Winterfield Township and Summerfield Township, Clare County, Michigan.

It is stated that the existing 6-inch and 4-inch piping segments would be replaced with 8-inch and 2-inch piping segments, respectively, and the 8-inch segment of the lateral would be made piggable. The purpose of this project is to replace corroded sections of pipe and allow for cleaning and inspection of the lateral with pigging devices.

Applicant estimates the cost of replacing the piping at approximately \$257,400. Applicant proposes to recover the construction and operation costs of the piping replacement in a future Section 4 rate filing with the Commission, on a rolled-in basis.

Any person desiring to be heard or make any protest with reference to said application should, on or before July 3, 1997, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a petition to intervene, or a protest, in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no petition to intervene is filed within the

time required herein if the Commission on its own review of the matter finds that a grant of the authority requested is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Applicant to appear or be represented at the hearing.

[Docket No. RP97-316-001]

Midwestern Gas Transmission Company; Notice of Tariff Filing

June 12, 1997.

Take notice that on June 9, 1997, Midwestern Gas Transmission Company (Midwestern), filed Sub Original Sheet No. 43 in compliance with the Order Accepting Tariff Sheets Subject To Conditions issued by the Commission on May 28, 1997 in this proceeding (May 28 Order) requiring Midwestern to file revised tariff provisions revising its proposed scheduling priority of pooled gas transportation. Midwestern proposes an effective date of June 1, 1997 for the revised sheet.

Midwestern states that the revised tariff sheet reflects the conforming change to Midwestern's tariff which is required to comply with the Commission's directive in the May 28 Order regarding scheduling priority of pooled volumes.

Midwestern states that copies of the filing have been mailed to all affected customers and state regulatory commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to this proceeding. Copies of this filing are on file with the Commission and are available for public
