DEPARTMENT OF JUSTICE

[AAG/A Order No. 136-97]

Privacy Act of 1974; Notice of Modified System of Records

Pursuant to the Cash Management Improvement Act Amendments of 1992 (102-589), the Department of Justice published the Debt Collection Offset Payment System, Justice/JMD-009 on April 11, 1994 (54 17111). The primary purpose for establishing the system of records was to determine whether administrative offset of delinquent debts could be made by Federal agencies against compensation due delinquent debtors who are present or former employees of such agencies, or present or former members of the Armed Forces. Ancillary purposes were to refer delinquent debts to the Internal

Revenue Service (IRS) for offset against any income tax refunds that may be due the debtors under the IRS Federal Income Tax Refund Offset Program; to record data on any offset made; and to maintain historical data on delinquent debtor payments through the Program.

The Department now proposes to modify the system to add a new routine use disclosure provision which will permit the Department to participate in a mandatory, government-wide offset payment system known as the Treasury Offset Program, and administered by Treasury pursuant to the Debt Collection Improvement Act of 1996, Pub. L. No. 104-134. The routine use, identified as (d) in the attached **Federal Register** notice, will permit the Department to transfer to Treasury for administrative offset those non-tax debts which are more than 180 days delinquent.

In addition, the Department is revising the "Authority for Maintenance of the System" to include the Debt Collection Act of 1982, and the Debt Collection Improvement Act of 1996 (Pub. L. No. 104-134).

Title 5 U.S.C. 552a(e) (4) and (11) provide that the public be given 30 days in which to comment on any proposed new routine uses. Any comments may be submitted in writing to Patricia E. Neely, Program Analyst, Information Management and Security Staff, Information Resources Management, Justice Management Division, Department of Justice, Washington, DC 50530 by July 21, 1997.

As required by 5 U.S.C. 552a(r) and Office of Management and Budget (OMB) implementing regulations, the Department of Justice has provided a report on the proposed changes to OMB and the Congress.

A modified system description is set forth below. The changes have been italicized for public convenience.
