1. Applicant is a registered open-end management investment company, organized as a Maryland corporation. SEC records indicate that the applicant

filed its notification of registration on Form N-8A on December 15, 1961, and filed a registration statement under the Act on Form N-8B-1 on January 2, 1962. Applicant commenced its initial public offering thereafter. Applicant is advised by ARM Capital Advisors, Inc. ("ARM").

2. On August 16, 1996, applicant's board of directors considered an Agreement and Plan of Reorganization (the "Reorganization Agreement") between applicant and Federated Equity Funds pursuant to which applicant would transfer substantially all of its assets to the Federated Growth Strategies Fund (the "Federated Fund"), a portfolio of the Federated Equity Funds. The Federated Fund is advised by Federated Management, a subsidiary of Federated Investors (together, "Federated"). Pursuant to the Reorganization Agreement, applicant would transfer substantially all of its assets to the Federated Fund in exchange for Class A shares of the Federated Fund. The directors considered several factors and identified certain potential benefits likely to result from the reorganization, including, (a) operating efficiencies as a result of the larger combined size of applicant and the Federated Fund, (b) applicant and the Federated Fund have substantially similar investment objectives, (c) although the maximum front end sales load of the Federated Fund is higher than that of applicant, it is lower than the average for equity growth funds distributed through brokers, (d) expenses of the reorganization will be borne by ARM and/or Federated, and (e) the anticipated tax free nature of the reorganization. The directors concluded that the reorganization presents no significant risks or costs that would outweigh the benefits discussed above. Applicant's board of directors unanimously approved the reorganization at a meeting of the board on August 26, 1996.

3. On September 24, 1996, Federated Fund filed a registration statement and proxy materials on Form N-14 soliciting approval of the reorganization by applicant's shareholders. The registration statement was declared effective on October 24, 1996. Shareholders approved the reorganization at a special meeting held on December 9, 1996.

4. On December 13, 1996, the date of the reorganization, applicant had 7,784,505.862 shares of common stock outstanding. Applicant's net asset value was \$9.54 per share and its aggregate net asset value was \$74,232,691.17. Applicant transferred assets valued at \$74,232,691.17, and received in
