SUPPLEMENTARY INFORMATION: The Surface Transportation Board is, by statute, responsible for the economic regulation of surface transportation carriers operating in interstate and foreign commerce. The ICC Termination Act of 1995, Public Law 104-88, 109 Stat. 803 (1995), which took effect on January 1, 1996 abolished the Interstate Commerce Commission and transferred the responsibility for regulating rail transportation, including the proposed abandonment and discontinuance of rail lines, to the Surface Transportation Board. The Board needs, in each abandonment exemption proceeding, a detailed map of the rail line, depicting its relation to other rail lines, roads, water routes, and population centers. The Board will use this information to facilitate informed decision making. Respondents will be railroads initiating abandonment exemption proceedings.

Vernon A. Williams,
Secretary.
