

recipient intends to organize the planning process, and what state agencies will participate and the role they will play.

b. The application shall identify the proposed project manager and any support personnel considered critical to the successful accomplishment of this project. Resumes or qualification statements and a brief description of their respective organizational responsibilities should be included separately.

c. What issues will be addressed during the planning process (at a minimum these must include the issues listed under Part II—Objectives).

d. A schedule designed to meet the six month deadline for preparation of an implementation plan.

e. A description of the evaluation approach proposed to determine how well the program is implemented, the strengths and weakness of the proposed approach, and the effectiveness of the program in accomplishing its objectives.

Terms and Conditions of Award

1. Prior to award, each grantee must comply with the certification requirements of 49 CFR part 20, Department of Transportation New Restrictions on Lobbying, and 49 CFR part 29, Department of Transportation government-wide Debarment and Suspension (Non-procurement) and Government-wide Requirements for Drug Free Workplace (Grants).

2. Reporting Requirements and Deliverables:

A. A Progress Report to be submitted half-way through the grant period that should include a summary of the activities and accomplishments to-date, as well as the proposed activities to complete the planning process. Any decisions and actions required in the upcoming quarter should be included in the report. The grantee shall supply the progress report to the Contracting

Officer's Technical Representative (COTR) three (3) months following date of award.

B. Final Report and Implementation Plan: The grantee shall prepare a Final Report and Implementation Plan that includes a description of the issues addressed during the planning process, the process followed, and how the issues were resolved. The Implementation Plan should address issues including: who should be tested, when and by whom should they be tested, for what drugs, and under what circumstances. It should also address the issue of how the grantee proposes to evaluate the program once implemented. This evaluation plan should include a description of the design, data elements, and how the effects of the program will be determined. The grantee shall submit the Final Report and Implementation Plan to the COTR by the end of the performance period.

3. Receipt of a planning grant under this announcement does not guarantee award of a Phase 2 Implementation Grant, though the advanced planning will clearly enhance the recipient's ability to prepare a detail proposal for the Phase 2 Implementation Grant.

4. During the effective performance period of grants awarded as a result of this announcement, the agreement as applicable to the grantee, shall be subject to the National Highway Traffic Safety Administration's General Provisions for Assistance Agreements.

Part IV—Application Review Process

Timely application packages from eligible applicants will be reviewed to confirm that they include all of the items specified in the Application Procedures and Contents section of this announcement. Each complete application from an eligible recipient will then be evaluated by an Evaluation Committee to determine whether the

applicant demonstrates an adequate understanding of the requirements for a pre-driver licensure drug testing program, has proposed to use the federal funds in a manner consistent with the objectives specified in Part II, has provided a reasonable plan for accomplishing the objectives of the project within the time frame set out in this announcement, and has proposed an acceptable budget. Each of these criteria will be rated as acceptable or unacceptable. Only proposals rated acceptable on every criteria will be eligible for funding.
