DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. RP97-603-000]****Egan Hub Partners, L.P.; Notice of Application**

June 26, 1997.

Take notice that on June 23, 1997, Egan Hub Partners, L.P. (Egan Hub) 44084 Riverside Parkway, Suite 340, Leesburg, Virginia 20176, filed, in Docket No. CP97-603-000, an

application pursuant to Section 7c of the Natural Gas Act and part 157 of the Federal Energy Regulatory Commission's (Commission) regulations for a certificate of public convenience and necessity authorizing the construction, and operation of additional compressors and related facilities and to increase the capacity of Egan Hub's existing salt dome storage facility located in Acadia Parish, Louisiana, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Specifically, Egan Hub seeks authorization to increase the total combined operating capacity of its two caverns to approximately 15.5 Bcf and to construct four additional 4,450 horsepower compressors, and appurtenant facilities.

Any person desiring to be heard or to make any protest with reference to said application should on or before July 17, 1997, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 18 CFR 285.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and given.

Under the procedures herein provided for, unless otherwise advised, it will be unnecessary for Egan Hub to appear or be necessary. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further

notice of such hearing will be duly represented at the hearing.

Kansas Small Producer Group; Notice of Petition for Adjustment

June 26, 1997.

Take notice that on June 24, 1997, the Kansas Small Producer Group¹ (Producers) filed a petition for adjustment under Section 502c of the Natural Gas Policy Act of 1978 (NGPA) and Rules 1101-1107 of the Commission's Rules of Practice and Procedure, requesting an adjustment to Producers' potential liability to pay refunds and interest that Producers may be directed to make with respect to gas production between October 4, 1983 and June 28, 1988, owing to Producers' collection of Kansas ad valorem tax reimbursements from gas purchasers that have since been deemed to be in excess of the NGPA's applicable maximum lawful gas prices, all as more fully set forth in the subject petition, which is on file with the Commission and available for public inspection.

This matter evolved out of the Commission's 1974 decision in Opinion No. 699-D, to permit gas producers to recover Kansas ad valorem tax reimbursements from their gas purchasers, the Commission's subsequent decision to allow gas producers to collect Kansas ad valorem tax reimbursements under Section 110 of the NGPA, and Northern Natural Gas Company's 1983 challenge to such collections,² culminating in the decision by the United States Court of Appeals for the District of Columbia Circuit, in *Public Service Company of Colorado v. FERC*, 91 F.3d 1478 (D.C. Cir. 1996), that refunds should be paid with respect to Kansas ad valorem tax reimbursements on production between October 4, 1983 and June 28, 1988, and the Supreme Court's denial of cross-petitions for certiorari, filed in connection with the D.C. Circuit's
