## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 300

[FRL-5851-8]

#### National Oil and Hazardous Substances Contingency Plan; National Priorities List Update

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of deletion of the Southside Sanitary Landfill Superfund Site from the National Priorities List (NPL).

**SUMMARY:** The Environmental Protection Agency (EPA) announces the deletion of the Southside Sanitary Landfill Site in Indiana from the National Priorities List (NPL). The NPL is Appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Contingency Plan (NCP), which EPA promulgated pursuant to Section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended. This action is being taken by EPA and the State of Indiana, because it has been determined that Responsible Parties have implemented all appropriate response actions required. Moreover, EPA and the State of Indiana have determined that remedial actions conducted at the site to date remain protective of public health, welfare, and the environment.

**EFFECTIVE DATE:** July 3, 1997.

**FOR FURTHER INFORMATION CONTACT:** Dion Novak at (312) 886-4737 (SR-6J), Remedial Project Manager or Gladys Beard at (312) 886-7253, Associate Remedial Project Manager, Superfund Division, U.S. EPA—Region V, 77 West Jackson Blvd., Chicago, IL 60604. **SUPPLEMENTARY INFORMATION:** The site to be deleted from the NPL is: Southside

Sanitary Landfill Site located in Indianapolis, Indiana. A Notice of Intent to Delete for this site was published May 14, 1997 (62 FR 26463). The closing date for comments on the Notice of Intent to Delete was June 12, 1997. EPA received no comments and therefore no Responsiveness Summary was prepared.

The EPA identifies sites which appear to present a significant risk to public health, welfare, or the environment and it maintains the NPL as the list of those sites. Sites on the NPL may be the subject of Hazardous Substance Response Trust Fund (Fund-) financed remedial actions. Any site deleted from the NPL remains eligible for Fund-financed remedial actions in the unlikely event that conditions at the site warrant such action. Section 300.425(e)(3) of the NCP states that Fund-financed actions may be taken at sites deleted from the NPL in the unlikely event that conditions at the site warrant such action. Deletion of a site from the NPL does not affect responsible party liability or impede agency efforts to recover costs associated with response efforts.

### 47 CFR Part 64

[CC Docket No. 96-149; FCC 97-142]

#### Regulatory Treatment of LEC Provision of Interexchange Services Originating in the LEC's Local Exchange Area

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** The Second Report and Order in CC Docket No. 96-149 and Third Report and Order in CC Docket No. 96-61 (Order) addresses issues concerning market definition, the regulatory treatment of Bell Operating Companies' (BOCs) and independent local exchange carriers' (LECs) provision of in-region long distance and international services, and separation requirements for the BOCs' and independent LECs' provision of out-of-region long distance services. This action taken by the Commission will further the pro-competitive, deregulatory objectives of the Telecommunications Act of 1996 (1996 Act) by eliminating unnecessary regulation that is currently imposed on BOCs and, in certain circumstances, on independent LECs.

**EFFECTIVE DATE:** This final rule, which contains information collection requirements, shall become effective September 11, 1997, following OMB approval, unless FCC publishes a timely document in the **Federal Register** changing the effective date of the rule.

**FOR FURTHER INFORMATION CONTACT:** Katherine Schroder, Attorney, Policy and Program Planning Division, Common Carrier Bureau, (202) 418-1580. For additional information concerning the information collections contained in this Order contact Dorothy Conway at (202) 418-0217, or via the Internet at [dconway@fcc.gov](mailto:dconway@fcc.gov).
