

DEPARTMENT OF STATE

[Public Notice 2566]

United States International Telecommunications Advisory Committee (ITAC) Ad Hoc on ITU Policy Forum (GMPCS); Meeting Notice

The Department of State announces a meeting, under the U.S. International Telecommunications Advisory Committee (ITAC), of its Ad Hoc Group on the ITU Policy Forum on GMPCS (held in Geneva, October 1996). The meeting will be held Friday, July 11, 1997, at 9:30 a.m. in Room 847 of the Federal Communications Commission, 1919 M Street, NW, Washington, D.C. This late notice was necessitated by the urgent need to seek advice on U.S. positions for re-scheduled international meetings.

The purpose of the meeting is to review and consider the follow-up activities relating to the 1996 Policy Forum on Global Mobile Personal Communications by Satellite (GMPCS). Primary focus will be given to Opinion No. 4 (Establishment of an MOU to Facilitate the Free Circulation of GMPCS) and Opinion No. 5 (Implementation of GMPCS in Developing Countries). The working group chairpersons will report on past and upcoming national and international activities related to the two Opinions. The meeting of the Ad Hoc Group, which will be as brief as possible, will be followed immediately in the same location by a meeting of the Working Group on Opinion No. 4 (GMPCS-MOU). Questions regarding the agenda or Ad Hoc activities in general may be directed to Gary Fereno, Department of State (202-647-0200).

Members of the general public may attend the meetings and join in the discussions, subject to the instructions of the chair. Participants in the meeting should comply with any entry conditions established by the FCC.

Dated: June 27, 1997.

Richard E. Shrum,*ITAC Executive Director.*

DEPARTMENT OF TRANSPORTATION**Office of the Secretary****Reports, Forms and Recordkeeping Requirements Agency Information Collection Activity Under OMB Review****AGENCY:** Office of the Secretary, DOT**ACTION:** Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collection and its expected burden. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published in 61 FR 68810-68811, December 30, 1996.

DATES: Comments must be submitted on or before August 4, 1997.

FOR FURTHER INFORMATION CONTACT: Edward Kosek, NHTSA Information Collection Clearance Officer at (202) 366-2589.

SUPPLEMENTARY INFORMATION:**National Highway Traffic Safety Administration (NHTSA)**

Title: Tire Identification and Recordkeeping.

OMB No.: 2127-0050.

Type of Request: Reinstatement, without change, of a previously approved collection for which approval has expired.

Affected Public: Tire Manufacturers, Dealers, and Distributors

Abstract: NHTSA requires each tire manufacturer to collect and maintain records of the names and addresses of the first purchasers of new tires. To carry out this mandate, 49 CFR Part 574 requires tire dealers and distributors to record the names and addresses of retail purchasers of new tires and the identification number(s) of the tire sold.

Need: The information is used by a tire manufacturer, when it determines that some of its tires either fail to comply with an applicable safety standard or contain a safety-related defect. With the information on the registration form, the tire manufacturer can notify the first purchaser of the tire and provide the purchaser with any necessary information or instructions.

Estimated Annual Burden Hours: 747,500.

ADDRESSES: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street, NW., Washington, DC 20503, Attention DOT Desk Officer. Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed

information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on June 26, 1997.

Vanester M. Williams,*Clearance Officer, United States Department of Transportation.*
