

available for public inspection and copying; prepared statements will be accepted for inclusion in the record. Accordingly, oral or written material not intended to be disclosed to the public should not be raised at the meeting.

FinCEN will also hold three other working meetings to discuss issues arising under the other proposed money services business regulations as well as issues concerning stored value products arising under the definition and registration regulation. In particular, FinCEN will hold working meetings focusing on issues relating to (1) money transmitters, (2) stored value products, and (3) issuers, sellers, or redeemers of money orders or traveler's checks. FinCEN will publish a separate notice announcing more specific information for those meetings as soon as it finalizes the specific times and addresses for the meetings. The dates and locations are as follows:

1. Money transmitters—July 28, 1997, New York, New York.

2. Stored value products—August 1, 1997, San Jose, California.

3. Issuers, sellers, and redeemers of money orders and traveler's checks—August 11, 1997, Chicago, Illinois.

In the interest of providing as broad and convenient an opportunity as possible for persons to discuss these regulatory measures, FinCEN will provide time during each meeting to discuss issues relating to any of the three rules published May 21, 1997. Thus, persons wishing to discuss aspects of the rules other than those for which a particular meeting is called may wish to participate in one or more of the meetings.

Persons wishing to attend or to participate in this first meeting should inform either Camille Steele or Karen Robb as listed under the **FOR FURTHER INFORMATION CONTACT** section.

BILLING CODE 4820-03-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 52

[CC Docket No. 95-155]

Toll Free Service Access Codes

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: On July 2, 1997, the Commission released a public notice seeking further comments to the Commission's Notice of Proposed Rulemaking (Toll Free Service Access Codes), CC Docket No. 95-155, specifically on the issue of the treatment of toll-free "vanity" numbers. The intended effect of this action is to seek further comments to refresh the record, because the record on the NPRM is almost two years old.

DATES: Comments must be filed on or before July 21, 1997, and reply comments must be filed on or before July 28, 1997.

ADDRESSES: Federal Communications Commission, 1919 M Street, N.W., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Robin Smolen, (202) 418-2336 of the Common Carrier Bureau, Network Services Division.

SUPPLEMENTARY INFORMATION:

Released: July 2, 1997.

1. On October 4, 1995, the Commission adopted a Notice of Proposed Rulemaking (CC Docket No. 95-155) addressing various issues relating to toll free service access codes and, among other issues, requesting comment on the issue of vanity-number treatment in future toll free codes. *Toll Free Service Access Codes*, Notice of Proposed Rulemaking, 10 FCC Rcd 13692 (1995) (*NPRM*) (60 FR 53157, October 12, 1995). The pleading cycle in response to the NPRM closed on November 15, 1995. In January 1996, the Common Carrier Bureau directed Database Management Services, Inc. to set aside 888 vanity numbers by placing them in "unavailable" status until the Commission resolves whether these numbers should be afforded any special right or protection. *Toll Free Service Access Codes*, Report and Order, 11 FCC Rcd 2496 (1996) (61 FR 7738, February 29, 1996).

2. The record on the *NPRM* is almost two years old. At this point, the industry is preparing to deploy the next toll free code in 1998. We seek, therefore, to refresh the record in CC Docket No. 95-155 on issues associated with the treatment of vanity numbers, both with 888 as well as numbers in future toll free codes. Specifically, parties should comment on issues such as, but not limited to, a vanity-number lottery and Standard Industrial Classification Codes. We ask that parties confine their discussion to issues concerning vanity numbers and avoid simply reiterating their earlier pleading.

3. Comments and reply comments in response to this Notice should be no

more than 20 pages, and otherwise in compliance with Sections 1.415 and 1.419 of the Commission's rules. Comments must be filed on or before July 21, 1997, and reply comments must be filed on or before July 28, 1997. Comments and reply comments must be sent to the Office of the Secretary, FCC, 1919 M Street, N.W., Washington, D.C. 20554. Two copies should also be sent to the Network Services Division, Common Carrier Bureau, FCC, Room 235, 2000 M Street, N.W., Washington, D.C. 20554. One copy should also be sent to the Commission's contractor for public service records duplication: ITS, Inc., 2100 M Street, N.W., Suite 140, Washington, D.C. 20554. Copies can also be obtained from ITS at (202) 857-3800.

4. We will continue to treat this proceeding as non-restricted for purposes of the Commission's *ex parte* rules. See generally 47 CFR §§ 1.1200-1.216. For further information, contact Robin Smolen (202/418-2353) of the Network Services Division, Common Carrier Bureau.
