Executive Order 12866 and Regulatory Flexibility Act

This rule has been reviewed under Executive Order 12866. For this action, the Office of Management and Budget has waived its review process required by Executive Order 12866.

According to the 1992 Census of Agriculture, Hawaii has 874 cattle herds containing 191,230 cattle. Some 757 of these herds, or 87 percent, contain 200 or fewer cattle apiece and are assumed to be owned by small businesses. Changing the status of Hawaii may affect the marketability of cattle from the State, since some prospective cattle buyers prefer to buy cattle from accredited-free States. This may result in a small detrimental economic impact on some small entities, although it appears that sales of cattle from Hawaii to other States are quite small in volume. We anticipate that this action will not have a significant effect on marketing patterns in Hawaii and will therefore not have a significant effect on those small entities affected by this action.

Under these circumstances, the Administrator of the Animal and Plant Health Inspection Service has determined that this action will not have a significant economic impact on a substantial number of small entities.

This rule has been reviewed under Executive Order 12988, Civil Justice Reform. This rule: (1) Preempts all State and local laws and regulations that are in conflict with this rule; (2) has no retroactive effect; and (3) does not require administrative proceedings before parties may file suit in court challenging this rule.

A new description of the AMAC was placed in the regulations. The substitution of AMAC for ALMC is made in one section of the regulations. This is merely a housekeeping change.

ADDRESSES: National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314–3428.

FOR FURTHER INFORMATION CONTACT: Hattie M. Ulan, Special Counsel to the General Counsel at the above address or telephone: 703–518–6540.

SUPPLEMENTARY INFORMATION: The NCUA Board established the ALMC in July 1988, to deal with an emerging concentration of real estate assets in a limited number of troubled credit unions. The ALMC’s mission and responsibilities have expanded over the years. In October of 1996, the NCUA Board changed the name of the Asset Liquidation Management Center to the Asset Management and Assistance Center. In February 1997, the NCUA Board noted the name change in the **Federal Register**. The NCUA Board also replaced the description of the duties of the ALMC with a new description of the duties of the AMAC. (See 62 FR 8155, 2/24/97.) The substitution of Asset Management and Assistance Center for Asset Liquidation Management Center is now being made in paragraph 790.2(a) of the NCUA Regulations. This paragraph sets forth the general organization of NCUA.
