

Final Results of the Review

As a result of our review, we determine that the following margin exists:

Manufacturer/exporter	Time period	Margin (percent)
TIE	6/1/95-5/31/96	2.70

The Department will instruct the Customs Service to assess antidumping duties on all appropriate entries. The Department will issue appraisal instructions directly to the Customs Service. Furthermore, the following cash deposit requirements will be effective upon publication of these final results for all shipments of this merchandise, entered or withdrawn from warehouse for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) The cash deposit rates for TIE will be the rate stated above (except that if the rate is *de minimis*, i.e., less than 0.5 percent, a cash deposit rate of zero will be required); (2) the cash deposit rate for all other Romanian exporters will be the Romania-wide rate made effective by the amended final results of the 1994-95 administrative review. *See Tapered Roller Bearings and Parts Thereof, Finished or Unfinished, from Romania; Amendment of Final Results of Antidumping Duty Administrative Review*, 61 FR 59416 (November 22, 1996); (3) for non-Romanian exporters of subject merchandise from Romania, the cash deposit rate will be the rate applicable to the Romanian supplier of that exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d)(1). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

with the regulations and terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

DEPARTMENT OF COMMERCE**National Institute of Standards and Technology****Conference on Using Voluntary Standards in the Federal Government**

AGENCY: National Institute of Standards and Technology (NIST).

ACTION: Notice.

SUMMARY: This notice announces a conference to focus on how Federal agencies are successfully using voluntary standards to meet the goals of the National Technology Transfer and Advancement Act (Pub. L. 104-113), which was signed into law on March 7, 1996. In part, the Act directs the National Institute of Standards and Technology (NIST) to coordinate with other Federal Government agencies to achieve greater reliance on voluntary standards and conformity assessment bodies, and lessened dependence on standards developed in-house. The Act contains specific provisions for standards-related activities, requiring Federal agencies to compare the standards used in scientific investigations, engineering, manufacturing, commerce, industry, and educational institutions with the standards developed by the Federal Government, and to coordinate greater use by Federal agencies of private sector standards emphasizing, where possible, the use of standards developed by private, consensus organizations.

DATES: The conference will take place on Monday, September 8, 1997, at 8:00 a.m.

ADDRESSES: The meeting will be held in the Red Auditorium at the National
