**Siebe, Incorporated; A/K/A Ranco North America; A/K/A Ranco Industries; A/K/A Rantrol Corporation; Quality Control Department; Brownsville, Texas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 21, 1997, applicable to all workers of Ranco North America, Quality Control Department, Brownsville, Texas. The notice was published in the **Federal Register** on May 9, 1997 (62 FR 25659).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of temperature and pressure controls. The investigation findings show that Siebe, Incorporated is the parent firm of Ranco North America. Findings also show that workers separated from employment at Ranco North America had their wages reported under four separate unemployment insurance (UI) tax accounts, Siebe, Incorporated, Ranco North America, Ranco Industries, and Rantrol Corporation. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to TA-W-33,333 is hereby issued as follows:

All workers of Siebe, Incorporated, also known as Ranco North America, also known as Ranco Industries, also known as Rantrol Corporation, Quality Control Department, Brownsville, Texas, who became totally or partially separated from employment on or after March 7, 1996, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 20th day of June, 1997.
