SUPPLEMENTARY INFORMATION: Proposal to renew the following currently approved collection of information:

Title: Independent Audits.

OMB Number: 3064-0113.

Frequency of Response: Annual and occasional.

Estimated Number of Respondents: 420

Estimated Number of Responses per Respondent: 3.

Estimated Total Annual Responses: 1,260.

Estimated Time per Response: 32 hours.

Estimated Total Annual Burden: 40,320 hours.

General Description of the Collection: The FDIC's regulation 12 CFR Part 363 implements section 36 of the Federal Deposit Insurance Act, which is generally intended to facilitate early identification of problems in financial management at larger insured institutions (those with assets of \$500 million or more) through annual independent audits, assessments of the effectiveness of internal controls and compliance with designated laws and regulations and more stringent reporting requirements. This collection of information, currently approved by OMB through September 30, 1998, would be modified to delete a requirement that respondents comply with Schedule A to Appendix A of Part 363, "Agreed Upon Procedures for Determining Compliance with Designated Laws."

Request for Comment: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance

the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments submitted in response to this notice also will be summarized or included in the FDIC's requests to OMB for renewal of this collection. All comments will become a matter of public record.

Dated at Washington, DC, this 8th day of July, 1997.
