#### Florida Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

July 8, 1997.

Take notice that on July 2, 1997, Florida Gas Transmission Company (FGT) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheet, with an effective date of March 1, 1997:

Fourth Revised Sheet No. 189

FGT states that the instant filing is being made to incorporate tariff changes which have been previously accepted by the Commission but which, because of an inadvertent omission by FGT in a subsequent filing, are not reflected in the currently effective tariff sheet.

FGT states that on August 30, 1996, in Docket No. RP96-366-000, FGT filed revised tariff sheets including Third Revised Sheet No. 189 superseding Second Revised Sheet No. 189. By Order issued September 30, 1996 the Commission accepted the revised tariff sheets including Third Revised Sheet No. 189 for filing and suspended them to become effective March 1, 1997.

Subsequently, on October 16, 1996 in Docket No. RP96-380-001, FGT filed and the Commission approved by Order issued November 7, 1996, Substitute First Revised Second Revised Sheet No. 189 superseding Second Revised Sheet No. 189, which included the tariff revisions contained herein.

On February 27, 1997, in Docket No. RP96-366-004, FGT filed third Revised Sheet No. 189 superseding Second Revised Sheet No. 189. In the February 27 filing, FGT inadvertently made redlined changes from Second Revised Sheet No. 189 rather than the previously approved Substitute First Revised Second Revised Sheet No. 189. In the instant filing, Fourth Revised Sheet No. 189 is being filed to incorporate the provisions of Substitute First Revised Second Revised sheet No. 189, which had been accepted by the Commission's November 7, 1996 Order.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section
