Title: State Library Agencies Survey, FY 1997-FY 1999

Frequency: Annually

Affected Public: State, local or Tribal Gov't, SEAs or LEAs

Reporting Burden and Recordkeeping: Responses: 51.

Abstract: This survey is proposed as an annual data collection as part of a federal-state cooperative system of data collection. State Library Agencies (STLAs) are the official agency of a state charged by state law with the extension and development of public library services and they receive broader legislative mandates affecting libraries of all types in the states (i.e., public, academic, school, special and library systems). The data are collected entirely electronically and the survey is designed and coordinated by a federal/state cooperative system. The survey will provide state and federal policymakers with information about STLAs, their governance, allied operations, development services to libraries and library systems, support of electronic information networks, etc.
