**DEPARTMENT OF DEFENSE****Department of the Army****Record of Decision (ROD) for Fort Ord, California, Disposal and Reuse Final Supplemental Environmental Impact Statement (SEIS)**

**AGENCY:** Department of the Army, DoD.

**ACTION:** Notice of availability.

**SUMMARY:** In compliance with the National Environmental Policy Act of 1969 and the President's Council on Environmental Quality, the Army prepared a Final Environmental Impact Statement (FEIS) in June 1993 for the disposal of certain excess property at Fort Ord, California, and the establishment of the Presidio of Monterey Annex. The Record of Decision (ROD) for the FEIS was signed on December 23, 1993. Since the 1993 ROD was issued, the Army has determined that an additional 250 acres of the Annex can be made available for disposal. In addition, the Army committed in the 1993 ROD to additional environmental analysis to address the impacts of new land uses not already addressed in the FEIS. As a result of that commitment, as well as significant changes in other conditions, the Army prepared a Supplemental Environmental Impact Statement (SEIS). The ROD determines that the SEIS adequately addresses impacts of the Army's actions related to the continued disposal of property at the former Fort Ord, California. Based on consideration of the relevant factors identified in the Final SEIS, along with the public responses, the Army will proceed with the disposal of the former Fort Ord property in accordance with the approaches indicated in the FEIS, the Final SEIS, the 1993 EIS ROD, and the SEIS ROD.

**AVAILABILITY OF REVIEW COPIES:** Copies of the ROD can be obtained by contacting Mr. Bob Verkade, Sacramento District, U.S. Army Corps of Engineers, 1325 J Street, Sacramento, California 95814-2922; telephone (916) 557-7423; fax (916) 557-5307; e-mail:

rverkade@usace.mil. Copies of the ROD are also available at the Seaside Branch Municipal Public Library and the Monterey County libraries.

Dated: July 8, 1997.
