Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Quarterly Summary of State, and Local Tax Revenue.

Form Number(s): F-71, F-72, F-73.

Agency Approval Number: 0607-0112.

Type of Request: Extension of a currently approved collection.

Burden: 6,057 hours.

Number of Respondents: 6,006.

Avg Hours Per Response: 15.1 minutes.

Needs and Uses: State and local government tax collections amount to about 700 billion dollars annually and represent almost half of all governmental revenues. Quarterly measurement of and reporting on these massive fund flows provides valuable insight into trends in the national economy and that of individual states. Information collected on the type and quantity of taxes collected gives comparative data on how state and local governments fund their public sector obligations. These data are used in the National Income and Product Account quarterly estimates developed by the Bureau of Economic Analysis and are widely used by state revenue and tax officials, academicians, media representatives, and others.

This program formerly included federal as well as state and local government tax data. We eliminated the federal data since this information is available elsewhere. However, the respondent burden remains unchanged because we obtained the federal data from public records.

Most of the data for this program are gathered by mail canvass of appropriate state and local government offices. In some instances, data are compiled by trained representatives of the Bureau of the Census from official records.

Affected Public: State, local or tribal government.

Frequency: Quarterly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 USC, Section 182.

OMB Desk Officer: Jerry Coffey, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5327, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jerry Coffey, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: July 8, 1997.

Departmental Forms Clearance Officer, Office of Management and Organization.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: 1997 Business Expenditures Survey.

Form Number(s): B-450(S), 451(S), 151(S), 151A(S), 151D(S), 153(S), 153D(S), 500(SA), 500(SE).

Agency Approval Number: None.

Type of Request: New collection.

Burden: 72,100 hours in FY 1998.

Number of Respondents: 57,700.

Avg Hours Per Response: 1.25.

Needs and Uses: The Census Bureau plans to conduct the 1997 Business Expenditures Survey (BES), previously known as the Assets and Expenditures Survey (AES), as part of the 1997 Economic Censuses. This information collection will supplement basic economic statistics produced by the 1997 Censuses of Wholesale Trade, Retail Trade, and Service Industries with estimates of operating expenses. It will also provide measures of value produced for wholesale trade and retail trade. This survey is the sole source of expense input data for domestic merchant wholesale, retail, and service businesses. Detailed inquiries on fixed assets and capital expenditures, included in the 1992 survey, have been dropped.

Data will be collected only from employer businesses included in the business current sample surveys (BSR-97) database. This information will be used by the Bureau of Economic Analysis to benchmark national economic accounts such as the input-output account, and to derive economic measures of value produced, such as value added. Other government agencies, private industry, and academia also will use these data for policymaking, market and economic research, and planning.

Affected Public: Businesses or other for-profit, Not-for-profit institutions.

Frequency: One time.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 U.S.C., Sections 131, 193, 195, and 224.
