FEDERAL EMERGENCY MANAGEMENT AGENCY

[FEMA-1174-DR]

North Dakota; Amendment to Notice of a Major Disaster Declaration

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Notice.

SUMMARY: This notice amends the notice of a major disaster for the State North Dakota (FEMA-1174-DR), dated April 7, 1997, and related determinations.

EFFECTIVE DATE: June 18, 1997.

FOR FURTHER INFORMATION CONTACT: Madge Dale, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-3260.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated June 18, 1997, the President amended the cost-sharing arrangements concerning Federal funds provided under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 51521 *et seq.*), in a letter to James L. Witt, Director of the Federal Emergency Management Agency, as follows:

I have determined that the damage in certain areas of the State of North Dakota,

resulting from severe flooding, severe winter storms, heavy spring rain, rapid snowmelt, high winds, ice jams, ground saturation due to high water tables, and fires beginning on February 28, 1997, and continuing through May 24, 1997, is of sufficient severity and magnitude that special conditions are warranted regarding the cost sharing arrangements concerning Federal funds provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act ("the Stafford Act").

Therefore, I amend my previous declaration to authorize Federal funds for Public Assistance at 90 percent of total eligible costs, except for direct Federal assistance costs and debris removal and emergency protective measures (Categories A and B) under the Public Assistance program which were authorized at 100 percent Federal funding. This 90 percent reimbursement applies to all eligible Public Assistance costs (Categories C through G).

This adjustment to State and local cost sharing applies only to Public Assistance (Categories C through G) costs eligible for such adjustment under the law. The law specifically prohibits a similar adjustment for funds provided to the State for the Individual and Family Grant program, mobile home group site development under Section 408, Temporary Housing, and Hazard Mitigation Assistance. These funds will continue to be reimbursed at 75 percent of total eligible costs.
