The Omnibus Consolidated Appropriations Act of 1997 provides that schools prohibited by state laws or court rulings from providing the requisite degree of access would not be denied funding prior to one year following the effective date of that law (i.e., not until March 29, 1998). However, that provision applies only to funds from agencies other than the Department of Defense, which is bound by provisions of the National Defense Authorization Act for Fiscal Year 1995. Therefore, the Secretary of Defense has determined that the following institutions of higher education prevent recruiter access to campuses, students, or student information and are ineligible for DoD contracts and grants.
