DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: 45 CFR Part 303.72—Request for collection of past-due support by Federal tax refund offset and administrative offset.

OMB No.: None.

Description: The Office of Child Support Enforcement (OCSE) operates the Tax refund offset (TROP). The TROP was enacted by Congress on August 13, 1981 (Pub. L. 97-35, section 2331). This is a computerized system operated by the Office of Child Support Enforcement (OCSE) within the Administration for Children and Families (ACF) of the U.S. Department of Health and Human Services (HHS) and State child support agencies. The TROP was established to recover delinquent AFDC child support debts with ongoing cooperation of states and local child support agencies.

The Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) signed by the President in November 1990, expanded the Program to include a provision for non-AFDC cases.

In 1996 the Debt Collection Improvement Act (Pub. L. 104-134)

further expanded the program to increase the collection of nontax debts owed to the Federal Government and to assist families in collecting past-due child support. It required the development and implementation of procedures necessary to collect past-due support by administrative offset by agencies. As a result, this program is now known as the Tax Refund and Administrative Offset Program (TROP/ADOP).

Purpose: Pursuant to Public Laws 97-35 enacted by Congress on August 13, 1981, Public Law 101-508 signed by the President in November 1990 and Public Law 104-134 enacted into law on April 26, 1996, the Debt Collection Improvement Act of 1996, and pursuant to the Executive Order 13019 dated September 28, 1996, the OCSE will match the tax refund records against Federal payment certification records and Federal financial assistance records. The purpose is to facilitate the collection of delinquent child support obligations from persons who may be entitled or eligible to receive certain Federal payments or Federal assistance. State child support agencies submit cases of delinquent child support claims to the OCSE for submission to the Financial Management Service (FMS). These cases are sent by on-line dial-up access via personal computer, tape and cartridge via mail, Mitron tape, file transfer, or electronic data transmission. The Office of Child Support Enforcement serves as a conduit between state child support enforcement agencies and the FMS by processing weekly updates of collection data and distributing the information back to the appropriate State child support agency. The information will be disclosed by OCSE to state child support agencies for use in the collection of child support debts, through locate action wage withholding or other enforcement actions.

Respondents: State and local governments. (50 States, District of Columbia, Guam, Puerto Rico, and Virgin Islands.)
