

activities and an exchange offer (not a merger transaction) registered with the SEC is subject to filing only if there is a member acting as a dealer manager, thereby clarifying that filing is not required where the member's role in the transaction is limited to providing financial advice. In addition, as recommended by the second commentor, the provision was amended to clarify that filing is not required if the exchange offer comes within the exemption from filing in subparagraph (b)(7)(F) for listed securities and securities of an issuer that qualify to register on Forms S-3, F-3, or F-10. Consistent with this latter change, proposed subparagraph (b)(8)(I) of Rule 2710 that would exempt from the Rule mergers (not exchange offers) registered with the SEC, was also amended to clarify that such a merger is nonetheless subject to filing if the merger involves the securities of a member or the parent of a member (as provided in subparagraph (b)(9)(I)).

Also consistent with the request of the second commentor for greater clarity in the operation of the filing requirements, new subparagraph (a)(3) was added to Rule 2720 to clarify that any exchange offer, merger and acquisition transaction, or similar corporate reorganization exempt from registration under Sections 3(a)(4), 3(a)(9), and 3(a)(11) where the member is actively soliciting securityholders or registered with the SEC where a member is acting as dealer manager, will be required to be filed with the Corporate Financing Department and is subject to compliance with the requirements of the Rule if the issuance of securities is by a member or parent of a member. In addition, by reference to subparagraph (b)(9)(I) of Rule 2710, the new subparagraph of the Conflicts Rule provides that any exchange offer, merger or acquisition transaction, or similar corporate reorganization involving an issuance of securities that results in the direct or indirect public ownership of a member will be required to be filed under Rule 2720. In order to make clear, moreover, that the exemption in subparagraph (b)(8) of Rule 2710 for offerings of securities issued in a spin-off or in a merger registered with the SEC are also exempt from Rule 2720, paragraph (o) of Rule 2720 is proposed to be amended to reference the exemptions from Rule 2720 that are provided in Rule 2710.

Finally, to address the concerns of the first commentor regarding the role of the qualified independent underwriter in an exchange offer, merger and acquisition transaction, or similar corporate reorganization subject to the Conflicts

Rule, subparagraph (c) of Rule 2720 is proposed to be amended to add a provision that requires that the exchange value of the securities being offered in the transaction not be less than that recommended by the qualified independent underwriter.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-38831; File No. SR-NASD-97-28]

Self-Regulatory Organizations; Notice of Filing of Amendment No. 2 to a Proposed Rule Change by the National Association of Securities Dealers, Inc., Relating to Procedures for Limitations on Operations, Suspensions, Cancellations, Bars, Denials of Access, Eligibility Proceedings and Exemptions

July 11, 1997.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4² thereunder, notice is hereby given that on July 10, 1997, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("SEC" or "Commission") Amendment No. 2 to the proposed rule change, as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization.³ The Commission is publishing this notice to solicit comments on Amendment No. 2 from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The NASD is proposing to amend the proposed rule change filed in SR-NASD-97-28. The Amendment contains revisions to the proposed Rule 9400 and 9500 Series of the Code of Procedure of the NASD and a proposed Rule 9600 Series setting forth procedures for applying for exemptions. As amended, the proposed Rule 9400-9500 Rule Series sets forth procedures for limitations on operations, suspensions, cancellations, bars, denials of access to NASD services, and eligibility proceedings. As noted in the Original Proposal, the NASD proposes to rescind the Rule 9500 and 9600 Series. The Association is requesting permanent approval of the proposed rule change as set forth in this

¹ 15 U.S.C. § 78s(b)(1).

² 17 CFR 240.19b-4.

³ The proposed rule change, including Amendment No. 1, was previously noticed in the **Federal Register**. See Exchange Act Release No. 38545 (April 24, 1997), 62 FR 25226 (May 8, 1997) (the "Original Proposal"). Two comment letters were received on the Original Proposal. See letter from Faith Colish, Attorney, Faith Colish P.C., to Jonathan G. Katz, Secretary, Commission, dated June 9, 1997; letter from George S. Frazza, Chair, Section of Business Law and Barry F. McNeil, Chair, Section of Litigation, American Bar Association, to Jonathan G. Katz, Secretary, Commission, date June 17, 1997.

Amendment. Attached as Exhibit A is the amended text of the proposed rule change. Proposed new language is in italics; proposed deletions are in brackets.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections, A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

a. Introduction: The NASD is amending the Original Proposal relating to the Rule 9400 and 9500 Series to request permanent approval of the Rule 9400 and 9500 Series as proposed in this amendment, consolidate and reorganize certain procedures, provide additional procedural rights and specificity for each proceeding, and conform the proposed Rule 9400 and 9500 Series to the proposed Rule 9200 and 9300 Series. Further, the NASD is proposing a new Rule 9600 Series that would require members to apply to the staff in the first instance for an exemption under various rules and provide a right of appeal to the National Business Conduct Committee.

The Original Proposal requested temporary approval for five separate procedures for: (1) Regulating the activities of members experiencing financial or operating difficulty (proposed Rule 9410); (2) approval of a change in business operations that will result in a change in exemptive status under SEC Rule 15c3-3 (proposed rule 9420); (3) summary suspension (proposed Rule 9510); (4) non-summary suspension, cancellation, and bar (proposed Rule 9520); and (5) eligibility proceedings (proposed Rule 9530). The Original Proposal also indicated that the NASD would comprehensively review the Rule 9400 and 9500 Series and consider submitting a revision to its proposal based on that review.

As a result of its review, the NASD now proposes to amend its Original Proposal to reduce the number of

separate proceedings from five to three, and seeks permanent approval of these three procedures. First, the NASD is proposing that the Rule 9410 Series for limitations on operations remain as a separate rule. Second, the NASD is proposing to eliminate the Rule 9420 Series as a separate rule series and instead require a member that wishes to change its exemptive status under SEC Rule 15c3-3 to apply for a change to its membership agreement if such agreement covers the member's exemptive status, or file a notice and application for approval of a material change in the member's business operations if the membership agreement does not specifically address the member's exemptive status. Procedures for applying for a change to a membership agreement or for approval of a material change in business operations are set forth in the proposed rule 1010 Series. The NASD will inform the membership of this change in procedure in a notice to members. Third, the NASD proposes to consolidate the Exchange Act summary suspension proceedings (proposed Rule 9510), non-summary suspension, cancellation, and bar proceedings (proposed Rule 9520), and new denial of access procedures in the revised Rule 9510 Series. Finally, eligibility proceedings remain in a separate rule series and are renumbered as the Rule 9520 Series.

The NASD also proposes to amend the Rule 9400 and Rule 9500 Series to provide members, associated persons, and others with enhanced procedural protections in the conduct of these proceedings and to expedite the hearing and review processes, especially under the proposed Rule 9510 Series. The amendments to the proposed rules include a variety of new provisions regarding the time in which a hearing requested by a member must be held (proposed Rule 9413(c) and 9514(d)); the disclosure of documents by NASD staff to the member prior to hearing (proposed Rules 9413(d), 9514(e) and 9523(a)); and the rights of parties at a hearing (proposed Rules 9413(e), 9514(f) and 9523(a)). Some of the more significant proposed changes are discussed below.

b. Proposed Rule 9410 Series: The original proposal did not provide for timely notice to the member of the date, time, and location of the hearing. As amended, proposed Rule 9413(c) now provides that the Department of Member Regulation must provide written notice of such information to the member at least five business days prior to the hearing.

Similarly, no provision was made in the Original Proposal for disclosure to the member, prior to the hearing, of the Department of Member Regulation's documents. The NASD now proposes that not less than five business days prior to the hearing, the member shall receive all documents considered by the Department of Member Regulation in imposing the limitations on the member's business activities, except any document that meets the criteria of Rule 9251(b)(1) (A), (B), or (C). That Rule describes certain documents that are privileged, constitute attorney work product, or otherwise relate to confidential investigatory or examination techniques. As a matter of practice, the NASD does not turn over such documents in any of its proceedings. As noted in the original proposal, proposed Rule 9251 is based on SEC Rule of Practice 230, 17 C.F.R. 201.230. The proposed rule also provides for the exchange of proposed exhibit and witness lists (proposed Rule 9413(d)).

The NASD also proposes to amend the Rule 9410 Series to set forth the contents of the record (proposed Rule 9413(f)); designate the obligations of the custodian of the record (proposed Rules 9413(g) and 9414(a)(4)); and a requirement that the Department issue a written decision (proposed Rule 9413(i)). If a decision imposes limitations, the decision must state the grounds for the limitations and the conditions for terminating such limitations (proposed Rule 9413(i)).

The appeal and review procedures for the Rule 9410 Series are largely unchanged from the original proposal. Amendment No. 2 adds a new provision that additional relevant and material evidence may be considered by the Subcommittee of the National Business Conduct Committee (proposed Rule 9414(b)(4)).

In the original proposal, proposed Rule 9417(b), Enforcement of Sanctions, did not provide the time in which a hearing must be held if requested by a member. The NASD proposes to provide that the hearing must be held within ten days after service of the Department of Member Regulation's order imposing sanctions. The NASD also proposes to amend proposed Rule 9417 to provide that a request for hearing shall not stay the effectiveness of the order imposing sanctions.

Proposed Rule 9418 clarifies that if additional limitations are imposed, the member may apply for relief by filing a written application for hearing under rule 9413, and that Rules 9413 through 9417 apply to such a request.

c. Proposed Rule 9510 Series: The original proposal proposed separate rules for summary suspension as authorized by Section 15A(h)(3) of the Exchange Act (proposed Rule 9510) and non-summary suspension, cancellation, and bar proceedings (proposed Rule 9520). The NASD now proposes to consolidate these procedures under the proposed Rule 9510 Series and add new denial of access procedures. The proposed amendments make clear, however, the different bases for summary and non-summary procedures (proposed Rule 9511).

The proposed amendments are intended to expedite these proceedings by providing that computation of time under the Rule 9510 Series at all times includes intermediate Saturdays, Sundays, and holidays. In contrast, proposed Rule 9138 includes such days unless the period is ten days or less. In addition, to conform with proposed Rule 9143 and the proposed amendment to the Rule 9410 Series, *ex parte* rules apply when NASD staff has knowledge that a member, associated person, or other person intends to request a hearing under proposed Rule 9514.

Although the procedures for hearing and review have been consolidated, the different procedures for the initiation of summary and non-summary proceedings (proposed Rules 9512 and 9513) remain largely unchanged from the original proposal.

To expedite these proceedings, the request for hearing must be filed within seven days after service of the notice initiating the proceeding (proposed Rule 9514(a)). As amended, proposed Rule 9514(b) also provides for the designation of a department or office of the NASD to act as a party in the proceeding and for the appointment of a Hearing Panel.

To conform with the proposed Rule 9410 Series, the proposed Rule 9510 Series provides for the time in which the hearing must be held; written notice of the location, date, and time of the hearing; transmission of the NASD's documents; and exchange of proposed exhibit and witness lists prior to the hearing (proposed Rule 9514 (d) and (e)). With respect to the transmission of the NASD's documents, the NASD does not anticipate that a notice of summary suspension will be based solely on documents that meet the exclusion criteria of Rule 9251(b)(1)(A)-(C). In all cases, the notice of summary suspension must include the factual basis for the NASD's action and those facts may be derived from documents that meet the criteria of Rule 9251(b)(1)(A)-(C). Provisions to proposed Rule 9413 also define the contents of the record and

designate a custodian of the record (proposed Rule 9514(f)(4) and (5)). The provision defining the contents of the decision issued by the hearing panel (proposed Rule 9514(g)(3)) has been amended to conform with proposed Rule 9268, which describes the initial decision in a disciplinary proceeding.

The NASD also has added a procedure for reinstatement after a non-summary suspension or limitation. This procedure is similar to the procedure set forth in proposed Rule 8225. A member or person who is subject to a summary suspension, limitation, or prohibition or a non-summary prohibition under the proposed Rule 9510 Series could not use this reinstatement procedure; such member or person would have to reapply for membership, registration, or access under other Rules of the NASD.

The NASD also has specifically provided for the imposition of costs in denial of access proceedings, which are not otherwise covered by Rule 8330.

Finally, certain existing cross-references to the Rule 9700 Series in other NASD rules must be changed to reflect that the Rule 9510 Series will now provide procedures for denials of access. That is, the reference to the Rule 9700 Series in NASD Rules 4730 and 5360 will be replaced with a reference to the Rule 9510 Series. The NASD proposes to eliminate the references to the Rule 9700 Series in Rule 5265 because procedures for resolving matters arising under this rule are provided for under the Uniform Practice Code, as set forth in the Rule 11000 Series.

d. Proposed Rule 9520 Series: The rules for eligibility proceedings are now renumbered as the proposed Rule 9520 Series. The length of time for a member to file a written application for relief is extended from seven to ten days (proposed Rule 9522(a)). The Amendment also provides for notice of the location, date, and time of the hearing and the transmission of the NASD's documents and exchange of exhibit and witness lists prior to hearing (proposed Rule 9523(a)). The Amendment also provides for the content of the record and the designation of the custodian of the record (proposed Rule 9523(a)(6) and (7)).

In keeping with other procedures in the proposed Rule 9000 Series, the NASD is amending proposed Rule 9522 to provide that applications for relief and notices of withdrawal of such applications be filed with the adjudicator, the National Business Conduct Committee, rather than the Department of Member Regulation, which acts as a Party in the proceeding.

In addition, because departments and offices other than the Department of Member Regulation may be involved in issuing a notice of disqualification (e.g., the Membership Department, which maintains the Central Registration Depository), the NASD is amending proposed Rule 9522 to provide that "Association staff" rather than "the Department of Member Regulation" may issue a notice of disqualification.

e. Proposed Rule 9600 Series: As part of the NASD's settlement with the Commission, the NASD agreed to provide autonomy and independence to the regulatory staff of the NASD and its subsidiaries such that the staff: (i) Has sole discretion as to what matters to investigate and prosecute; (ii) has sole discretion to handle all other regulatory matters; (iii) prepares rule proposals, rule interpretations, and other policy matters with any consultations with interested NASD constituencies made in a fair and evenhanded manner; and (iv) is generally insulated from the commercial interests of its members and the Nasdaq market.

As part of the implementation of the requirement in the settlement to provide autonomy and independence to the regulatory staff in certain matters, the NASD is proposing a new Rule 9600 Series that would require members to apply to the staff in the first instance for an exemption under various rules and provide a right of appeal to the National Business Conduct Committee.

The proposed rule change is also consistent with amendments recently filed with the Commission which, among other things, propose to revise the Rules of the NASD to create greater authority for NASD Regulation staff regarding applications for membership and the investigation of complaints, and to provide enhanced procedural rights and safeguards for new applicants and those subject to a complaint.

The proposed Rule 9600 Series would require a member seeking an exemption from certain NASD rules to file a written application with the Office of General Counsel of NASD Regulation. Presently, under various rules, certain quasi-adjudicative or exemptive authority has been granted to various standing committees.

The proposed rules provide that any written application for an exemption must contain the member's name and address, the name of a person associated with the member who will serve as the primary contact for the application, the rule from which the member is seeking an exemption, and a detailed statement of the grounds for granting the exemption. If the member does not want the application or the decision on the

application to be publicly available in whole or in part, the member also must include in its application a detailed statement, including supporting facts, showing good cause for treating the application or decision as confidential in whole or in part.

The proposed rules would require NASD Regulation staff, after considering an application, to issue a written decision setting forth its findings and conclusions to be served on the applicant pursuant to Rules 9132 and 9134. After the decision is served on the applicant, the application and decision will be made publicly available unless NASD Regulation staff determines that the applicant has shown good cause for treating the application or decision as confidential in whole or in part.

The proposed rules permit an applicant to appeal the decision by filing a written notice of appeal within 15 calendar days after service of a decision issued under proposed Rule 9620. The notice of appeal must contain a brief statement of the findings and conclusions as to which exception is taken. The National Business Conduct Committee may order oral argument. If the applicant does not want the National Business Conduct Committee's decision on appeal to be publicly available in whole or in part, the applicant must include in its notice of appeal a detailed statement, including supporting facts, showing good cause for treating the decision as confidential in whole or in part. The notice of appeal must be signed by the applicant. Where the failure to promptly review a decision to deny a request for exemption would unduly or unfairly harm the applicant, the National Business Conduct Committee shall provide expedited review. An applicant may withdraw its notice of appeal at any time by filing a written notice of withdrawal of appeal with the National Business Conduct Committee.

The proposed rules require the National Business Conduct Committee, following the filing of a notice of appeal, to designate a Subcommittee to hear an oral argument, if ordered, consider any new evidence that the applicant can show good cause for not including in its application, and recommend to the National Business Conduct Committee a disposition of all matters on appeal.

The proposed rules require the National Business Conduct Committee, after considering all matters on appeal and the Subcommittee's recommendation, to affirm, modify, or reverse the decision issued under the proposed Rule 9620. The National Business Conduct Committee must issue a written decision setting forth its

findings and conclusions and serve the decision on the applicant. The decision must be served pursuant to Rules 9132 and 9134. The decision will be effective upon service and constitutes final action of the NASD.

The proposed rules also make conforming changes to those particular rules under which exemptions are currently granted, clarifying that the authority for granting such exemptions rests with NASD Regulation staff in the first instance. Currently, this includes rules relating to registration requirements, categories of principal registration, qualification examinations and waiver requirements, customer account statements, margin accounts, underwriting terms and arrangements for corporate financing matters, conflicts of interest involving distributions of securities of members and affiliates, direct participation programs, position limits for index warrants, exercise limits for index warrants, position limits for options, position limits for index options, exercise limits for options, securities categorized as "failed to receive" and "failed to deliver," short sales, customer account transfer contracts, clearance of corporate debt securities, free-riding and withholding, and Municipal Securities Rulemaking Board Rule G-37.

In addition, the proposed rules create new authority under Rule 2210 to permit the Advertising Regulation Department to grant exemptions from the pre-filing requirements of paragraph (c) of that Rule in order to reflect existing practice. The need for such authority under Rule 2210 arises when, for example, members are the subject of a buyout or reorganization, or form a subsidiary firm, and the successor entity is substantially similar to the predecessor entity, retains the same control persons, and continues to produce the same securities products that were previously filed with the Department. In such situations, the dangers toward which the pre-filing requirements are directed have already been eliminated.

The proposed amendments do not affect certain existing functions of committees when the interests represented are fundamentally different, or when the issues presented are highly technical and do not require a highly formal process (See Rules 11110 and 2340(d), which will continue to authorize certain functions for the Financial Responsibility and Operations Committees, and Rules 10102, 10104, and 10301(b), which will continue to authorize certain functions for the National Arbitration and Mediation Committee).

f. Rule 9800 Series: The Rule 9800 Series contains procedures for committee review of staff decisions regarding corporate financing and direct participation program matters. The deletion of the Rule 9800 Series is consistent with the changes proposed herein to Rules 2710 (Corporate Financing Rule), 2720 (Distributions of Securities of Members and Affiliates) and 2810 (Direct Participation Programs) to subject corporate financing and direct participation program matters to the new procedures for granting exemptions.

2. Statutory Basis

The NASD believes the proposed rule change is consistent with Section 15A(b) (6)-(8) of the Act, 15 U.S.C. § 78o-3(b) (6)-(8). The NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which require that the NASD adopt and amend its rules to promote just and equitable principles of fair trade, and generally provide for the protection of investors and the public interest, in that the proposed rule change preserves the independence of NASD Regulation staff regarding procedures for exemptions, promotes fairness by creating procedural regularity and predictability intended to optimize evenhanded results and minimize disparate results, and clarifies and streamlines the process for granting exemptions by articulating the application and decision process and by clearly defining appeal rights. Section 15A(b)(7) mandates that a national securities association establish rules providing that "its members and persons associated with its members shall be appropriately disciplined for violation of any provision of this title, the rules or regulations thereunder, the rules of the Municipal Securities Rulemaking Board, or the rules of the association, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction." Section 15A(b)(8) mandates that a national securities association establish rules providing for "a fair procedure for the disciplining of members and persons associated with members, the denial of membership to any person seeking membership therein, the barring of any person from becoming associated with a member thereof, and the prohibition or limitation by the association of any person with respect to access to services offered by the association or a member thereof." The NASD believes the proposed rule

changes will further the goals of Sections 15A(b) (6), (7), and (8).

B. Self-Regulatory Organization's Statement on Burden on Competition

The NASD does not believe the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The NASD has neither solicited nor received written comments.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer periods to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written statements should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. Comments also may be submitted electronically at the following E-mail address: rule-comments@sec.gov. File Number SR-NASD-97-28 should be included on the subject line if E-mail is used to submit a comment letter. Electronically submitted comment letters will be posted on the

Commission's Internet web site (<http://www.sec.gov>).

All submissions should refer to File Number SR-NASD-97-28, Amendment No. 2, and should be submitted by August 6, 1997.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-38827; File No. SR-NSCC-97-06]

Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change To Increase the Size of the Board of Directors

July 9, 1997.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on May 15, 1997, the National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared primarily by NSCC. The Commission is publishing this notice and order to solicit comments from interested persons and to grant accelerated approval of the proposed rule change.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change will amend NSCC's shareholders agreement and by-laws to increase NSCC's board of directors by one member and to create a new category of director.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to increase the size of NSCC's board from twenty to twenty-one directors and to create a new "Industry Director" category. Article II, Section 2.1 of NSCC's by-laws, "Number and Classification of Directors," currently provides for a board of twenty directors. NSCC's shareholders agreement currently provides for three categories of directors. "Shareholder Directors" represent each of NSCC's three shareholders: the New York Stock Exchange, the American Stock Exchange, and the National Association of Securities Dealers. The "Management Director," typically NSCC's President, represents management. "Participant Directors" represent and are selected from NSCC's participants.³

NSCC's board has determined that it would be in the beneficial interest of NSCC to create one new board seat to be filled by a senior level securities industry official designated by the board. Because such a seat would not necessarily fall within any of the existing director categories, NSCC proposes that its shareholders agreement and by-laws be amended to accommodate this new director category.⁴

NSCC believes the proposed rule change is consistent with the requirements of Section 17A(b)(3)(F)⁵ of the Act because it allows NSCC's board

² The Commission has modified the text of the summaries prepared by NSCC.

³ Currently, there are three Shareholder Directors, one Management Director, and sixteen Participant Directors. Securities Exchange Act Release No. 36570 (December 11, 1995), 60 FR 64466 (order approving proposed rule change to amend by-laws to add an additional board member).

⁴ As with all new director positions created after 1977, the Industry Director will be assigned to one of the board's three classes. Assignments are apportioned so that the classes are as nearly equal in number as possible.

to benefit from the participation of an experienced securities industry official in the administration of NSCC's affairs.

(B) Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change will impact or impose a burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments have been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Section 17A(b)(3)(F)⁶ of the Act requires that the rules of a clearing agency must be designed to foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions. The Commission understands that initially the new Industry Director category will be filled by an officer of DTC, which should result in NSCC and DTC being better able to coordinate their activities. Thus, the Commission believes that NSCC's proposal is consistent with Section 17A(b)(3)(F) of the Act.

NSCC requests the Commission find good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of the filing. The Commission finds good cause exists for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of the filing because accelerated approval will permit NSCC's board to appoint the new Industry Director at the next shareholder's meeting which is scheduled for July 15, 1997.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the
