Joseph Hydro Company, Inc.; Notice of Availability of Environmental Assessment

July 11, 1997.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission (Commission) regulations, 18 CFR Part 380 (Order 486, 52 FR 47897), the Office of Hydropower Licensing has reviewed an exemption surrender application for the Ferguson Ridge Project, FERC No. 6621-006. The Ferguson Ridge Project is located on the Wallowa Valley Improvement District irrigation canal in Wallowa County, Oregon. An Environmental Assessment (EA) was prepared for the application. The EA finds that approving the application would not constitute a major federal action significantly affecting the quality of the human environment.

Copies of the EA are available for review in the Commission Reference and Information Center, Room 2-A, 888 First Street NE., Washington, DC 20426.

Please submit any comments within 15 days from the date of this notice. Any comments, conclusions, or recommendations that draw upon studies, reports or other working papers or substance should be supported by appropriate documentation.

Comments should be addressed to Lois D. Cashell, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Please affix Project No. 6621-006 to all comments. Further information can be obtained by calling Jim Hastreiter at (503) 326-5858, ext. 225.
