

requirements of Section 16(a) with respect to periodic elections of trustees and with whatever rules the Commission may promulgate with respect thereto.

8. The Trusts will notify all Participants that separate account prospectus disclosure regarding potential risks of mixed and shared funding may be appropriate. Each Trust will disclose in its prospectus that: (a) Shares of such Trust may be offered to insurance company separate accounts of both variable annuity and variable life insurance contracts and to Qualified Plans; (b) due to differences in tax treatment and other considerations, the interests of various contract owners participating in such Trust and the interests of Qualified Plans investing in such Trust may conflict; and (c) the Trust's Board of Trustees will monitor events in order to identify the existence of any material irreconcilable conflicts and to determine what action, if any, should be taken in response to any such conflict.

9. If and to the extent that Rule 6e-2 and Rule 6e-3(T) under the 1940 Act are amended, or proposed Rule 6e-3 under the 1940 Act is adopted, to provide exemptive relief from any provision of the 1940 Act, or the rules promulgated thereunder, with respect to mixed or shared funding, on terms and conditions materially different from those terms and conditions associated with the exemptive relief requested in the application, then the Trusts and/or Participating Insurance Companies, as appropriate, shall take such steps as may be necessary to comply with Rules 6e-2 and 6e-3(T), or Rule 6e-3, as such rules are applicable.

10. The Participants, at least annually, will submit to the Board of each Trust such reports, materials, or data as a Board reasonably may request so that the trustees of the Board may fully carry out the obligations imposed upon a Board by the conditions contained in the application, and said reports, materials, and data will be submitted more frequently if deemed appropriate by a Board. The obligations of the Participants to provide these reports, materials, and data to a Board, when it so reasonably requests, will be a contractual obligation of all Participants under their agreements governing participation in the Portfolios.

11. All reports of potential or existing conflicts received by a Board, and all Board action with regard to determining the existence of a conflict, notifying Participants of a conflict, and determining whether any proposed action adequately remedies a conflict, will be properly recorded in the minutes

of the relevant Board or other appropriate records, and such minutes or other records shall be made available to the Commission upon request.

12. The Trusts will not accept a purchase order from a Qualified Plan if such purchase would make the Plan shareholder an owner of 10 percent or more of the assets of such Portfolio unless such Plan executes an agreement with the relevant Trust governing participation in such Portfolio. A Plan will execute an application containing an acknowledgement of this condition at the time of its initial purchase of shares of any Portfolio.

Conclusion

For the reasons summarized above, Applicants assert that the requested exemptions are appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.
