[Docket No. CP96-583-001]

#### MidCon Texas Pipeline Operator Inc.; Notice of Amendment

July 17, 1997.

Take notice that on July 11, 1997, MidCon Texas Pipeline Operator, Inc. (MTP), located at 3200 Southwest Freeway, Houston, TX 77027-7523, filed an amendment in Docket No. CP96-583-001, pursuant to Section 3 of the Natural Gas Act (NGA) and Part 153 of the Commission's Regulations, seeking to amend the Section 3 authorization and Presidential Permit previously issued to MidCon Texas Pipeline Corp. (MidCon Texas) on November 26, 1996.<sup>1</sup>

MTP states that, as a result of corporate reorganization, it is the successor to MidCon Texas, and requests that it be allowed to succeed to the authority originally granted to MidCon Texas. MTP also requests that the previous authorization be amended to change the location of the border crossing facility from the original location in Starr County, Texas, near the town of Fronton to a proposed location at a point approximately seven miles upstream on the Rio Grande River near the town of Salineño, also in Starr County.

MTP also states that the border crossing facility will be essentially the same as the originally approved dual 12-inch meter and a run of 24-inch pipe extending to the International Boundary in the middle of the river. However, due to the proposed new location, the run of 24-inch pipe will be 1,500 feet instead of the originally approved 800 feet. Thus, the cost of the border crossing facility is now estimated to be \$620,000, rather than the originally estimated \$520,000.

Any person desiring to be heard or to make any protest with reference to said amended application should on or before August 6, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 or 385.214) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. All persons who have heretofore filed need not file again.
