DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Availability of the HRSA Competitive Grants Preview**

AGENCY: Health Resources and Services Administration, HHS.

ACTION: General notice.

SUMMARY: HRSA announces the availability of the HRSA Competitive Grants Preview publication for Summer 1997. This edition of the Preview is being published primarily to accommodate HRSA programs which anticipate making grant awards during the first quarter of the Fiscal Year 1998. A comprehensive Preview for HRSA's Fiscal Year 1998 programs will be published in October.

The purpose of the Preview is to provide the general public with a single source of program and application information related to the Agency's annual grant review cycle. The Preview is designed to replace multiple **Federal Register** notices which traditionally advertised the availability of HRSA discretionary funds for its various programs. It should be noted that other program initiatives, responsive to new or emerging issues in the health care area, and unanticipated at the time of publication of the Preview, may be advertised through the **Federal Register** mechanism from time-to-time.

Deadlines or other requirements appearing in the **Federal Register** are not changed by this notice.

The Preview contains a description of competitive programs scheduled for review early in Fiscal Year 1998 and includes instructions on how to access the Agency for information and receive application kits. Specifically, the following information is included in the Preview: (1) Program Title; (2) Legislative Authority; (3) Purpose; (4) Eligibility; (5) Estimated Amount of competition; (6) Estimated number of awards; (7) Funding Priorities and/or Preferences; (8) Projected Award Date;
