Record of Decision for the Disposal and Reuse of Rickenbacker Air National Guard Base (ANGB), Ohio

On May 15, 1997, the Air Force issued the Revised Supplemental Record of Decision (RSROD) for the Disposal and Reuse of Rickenbacker (ANGB). The decisions included in this RSROD have been made in consideration of, but not limited to, the information contained in the Final Environmental Impact Statement (FEIS) for the Disposal and Reuse of Rickenbacker ANGB, which was filed with the United States Environmental Protection Agency (US EPA) and made available to the public on February 17, 1995.

Rickenbacker ANGB realigned on September 30, 1994, pursuant to the Defense Authorization Amendments and Base Closure and Realignment Act (DBCRA), of 1990 (10 United States Code 2687) and recommendations of the Defense Base Closure and Realignment Commission. Rickenbacker ANGB was recommended for closure by the 1991 Commission, but as a result of a proposal by the State of Ohio, the 1993 Commission recommended that Rickenbacker ANGB be realigned rather than closed, so that Ohio Air National Guard units could continue to operate in a cantonment area within the base.
