Approval and Promulgation of Air Quality Implementation Plans, Tennessee; Approval of Revisions to the Tennessee SIP Regarding Emission Standards and Monitoring Requirements for Additional Control Areas

AGENCY: Environmental Protection Agency (EPA).
ACTION: Proposed rule.

SUMMARY: The EPA proposes to approve revisions to the Tennessee State Implementation Plan (SIP) regarding emission standards and monitoring requirements for additional control areas. In the final rules section of this **Federal Register**, the EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are

received in response to this proposed rule, no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

DATES: To be considered, comments must be received by August 29, 1997.

ADDRESSES: Written comments on this action should be addressed to Karen Borel, at the EPA Regional Office listed below. Copies of the documents relative to this action are available for public inspection during normal business hours at the following locations.
